

REPORT ON MEGA MEDICAL HEALTH CAMP AT BHARAT KALYANA MANDAPAM ON 6/08/2015

(Thursday)

At early hours of 7 'O clock on 6/08/2015 all the NSS volunteers and my self-reached Bharat Kalyana Mandapam. All the Nss volunteers' boys worn white shirt and girls came in chudidars. Sri. D.Chennaih with his dispensary staff and all the medicines already there at the kalyana mandapam. The Medical & Lab Staff (25 members) also reached the KalyanaMandapam at 8 O" clock. All the stage arrangements, doctors all cabins got ready before the day.

At 9.45 Sharp the deputy collector of Madanapalle Sri Dr. A. Mallikarjuna IAS reached the Kalyanamandapam and before that the Thahasildar of Kurabalakota Muni Pratap reached the KalyanaMandapam. At 10"O clock sharp the function started by Athar Samina Khan with her opening remarks.

All the guests Deputy Collector, Thahasildar, Principal, Dr Chennai and myself invited on to the stage. The function started with the prathanageeta by our girl students of NSS (YAKUNDA). At 10.30 deputy collector lighted the Jyoti and started the Medical Camp. In his speech he told that organizing the medical camps is good to the society and the secretary &Correspondent always coming forward to organize these type of events is really very good.. He appreciated the service moto of N. VijayaBhaskarChowdary. He wants the management to organize the camps like this in future also.

Muni Pratap also expressed his gratitude and to organize these type of camps in every village then all the villages become healthy and he also appreciated the Management of Madanapalle Institute of Technology & Science.

DrMitra the team of Doctors advised the people & Patients to take precautions while they are using the water. He also expressed that now almost in the village Dengu fevers are there and it is appreciable that at this moment Madanapalle Institute of Technology and Science came forward to Organize mega medical camps.

Principal Dr. C. Yuva raj expressed that secretary and correspondent of Madanapalle Institute of Technology & Science came forward to make the words true "Health is Wealth".

Nss coordinator is also expressed gratitude towards the Management of MadanpalleInstitue of Technology & Science for giving an opportunity to serve the people of Angallu in the form of organizing a Mega Medical & Health Camp

Dr. Chennaih also spoke to the audience and asked the patients to follow que and visit the doctors in a disciplinary way.

Findings:

In this event 82 NSS Volunteers and almost 740 patients visited the Mega Medical Camp and several tests like sugar, Blood test, Dengu, Malaria, Typhoid made. The outpatient record, results of the tests, statistics of the camp attached in the form of XL sheet.

Finally once again I thank the Management Madanpalle Institute of Technology & Science for organizing a Mega Camp and also I got the feedback from several villagers, staff, and students that the camp became a grand success.
