Mr K. NAGARAJA is an ex-student of MITS and having total six year of Work Experience in various Industries. At present he is working with Unisys Global Services India Pvt Ltd. (Learning Labs Pvt Ltd), Bangalore. He started the lecture introducing himself, how he made career to reach the current position. He shared his experience and other valuable information that could enhance the students capability in terms of initial contact with corporate to the subsequent journey of employment. Mr Nagaraja's session highlighted on:

- Resume Preparation
- Introducing yourself in Interviews
- Interview Preparation
- Telephonic and email etiquette
- Job Search

As he was the panel member of the recruitment team of unisys visiting various top institutions across the country, shared his experiences on the various campus visits and guided the students on do's and Don't's in the interview. One session in the morning was organized for Non-Computer streams (ECE/EEE/MECH) and one more session organized in the afternoon for computer stream (CSE/IT)

Post the above most of the time was spent in interacting with the students and addressing their questions and doubts. The students have got wonderful insight and knowledge about the corporate expectations. Overall the session was a requisite eye opener at the desired time. This session will be very helpful to the students & also for their career. He also emphasized on the internship opportunities available in Unisys global services Ltd. He met the principal and summarized the interaction happened that day and updated on the current recruitment trend going on in Unisys.
