## About the University

Madanapalle Institute of Technology & Science (MITS) was established in 1998 in the scenic and serene surroundings of Madanapalle. The institute is ideally situated on a spacious 26.17-acre campus in the Madanapalle–Anantapur Highway (NH-42), near Angallu, approximately 10 km from Madanapalle. MITS was founded under the Ratakonda Ranga Reddy Educational Academy, under the leadership of Late Sri N. Krishna Kumar, M.S. (U.S.A.), the then President, and Dr. N. Vijaya Bhaskar Choudary, Ph.D. the visionary leader of the Academy.

With 28 years of academic excellence, MITS has earned NAAC A+ accreditation and NBA recognition for its programs. In recognition of its quality standards and contributions to higher education, the Government of India has conferred MITS the status of a Deemed to be University under Section 3 of the UGC Act, 1956. vide Notification No. 9-1/2025-U.3(A) dated 15th July, 2025.

MITS - Deemed to be University is now governed by the visionary and proactive leadership of Dr. N. Vijaya Bhaskar Choudary, the founder and Chancellor. Redefining the education in the international standard, MITS Deemed to be University, now continues to strive with a total commitment and dedication to establish the institution as one of the foremost centers of academic excellence in India. With well-defined strategies and action plans that align with the evolving needs of the globe, MITS Deemed to be University has set forth its educational Odyssey.

## About the Department of CSE (AI and ML)

The Department of Computer Science and Engineering (Artificial Intelligence and Machine Learning) was established in 2023. The department offers four-year UG and Two-year PG degree program designed to be flexible and aligned with the evolving demands of the information technology industry. The College Academic Council and the department's Board of Studies are committed to deliver a high-quality education with an advanced curriculum, ensuring that students are industry-ready and prepared to excel in the modern business environment.

## Objectives of the Seminar

1. To enhance awareness of AI ethics by exploring key issues such as fairness, transparency, accountability, privacy, and bias in AI-driven systems.
2. To promote responsible AI development and deployment by discussing ethical frameworks, regulatory guidelines, and best practices for trustworthy technology.
3. To encourage interdisciplinary collaboration among researchers, academicians, industry professionals, policymakers, and students for addressing ethical challenges in AI.
4. To foster human-centered innovation by emphasizing the design and implementation of AI technologies that respect human values, rights, safety, and societal well-being.
5. To strengthen understanding of AI ethics and governance for creating fair, accountable, and inclusive intelligent systems.
