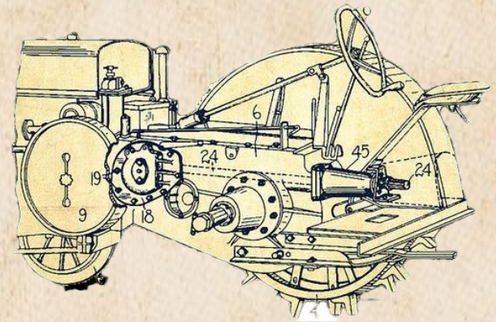
A Five Day Workshop on

The Art of Patenting and Drafting



25th - 29th April 2022

Organized by :
Department of Electronics and Communication Engineering

MADANAPALLE INSTITUTE OF TECHNOLOGY AND SCIENCE
(UGC Autonomous)
Kadiri road, Angallu, Madanapalle- 517326, Andhra Pradesh, India

About MITS :

Madanapalle Institute of Technology and Science (MITS) is an autonomous institution that was established in 1998 in the picturesque and pleasant environs of Madanapalle and is ideally located on a sprawling 30-acre campus. It has a resort-like atmosphere, which is refreshing and exhilarating at the same time. The UG courses such as ME, CSE, EEE and ECE are accredited by National Board of Accreditation (NBA). The college is awarded ISO 9001 :2015 certification for the quality policies it is implementing. The campus comprises aesthetically designed buildings that are networked by Wi- Fi technology. This institution is established with modern workshops and labs, computer and internet facilities, seminar halls, a well-equipped library and sports facilities that provide an excellent learning environment for the students. MITS offers UG, PG & PhD courses in Mechanical, Civil, Electrical & Electronics, Electronics & Communications, Computer Science Engineering, MBA and MCA.

About the Department :

The Department of Electronics & Communication Engineering started functioning from the academic year 1998 for B. Tech course. The department has distinguished faculty, most of them holding Ph.D. degrees from eminent universities. The Department obtained UGC-Autonomous Status in the year 2014 and is running the program successfully meeting all the requirements. The B.Tech Program under Department of Electronics & Communication Engineering was accredited by the NBA of All India Council for Technical Education (AICTE). The mission of the Department is to enable the students to innovate and excel as eminent academicians, technocrats and entrepreneurs.

About the workshop :

Inventions and Innovations are part of the developmental process that sustain the Socio-economic development. Protecting the interest of the inventors is necessary to provide the motivation for research and development leading to more innovations. Various Governments across the world have devised laws to protect the intellectual property rights of the inventors and innovators, in the form of patent, copyright, etc. Definitions of IPR, procedures in IPR/patent applications, prior art search, IPR infringement, IP Auditing in software regime etc. will be covered in this workshop.
