ABOUT THE WORKSHOP

The workshop is organised with the objective to emphasize the significance of Accreditation & Autonomy. The Higher Education needs of the Rayalaseema Region are unique, given the rural, agrarian socio-economic background. Therefore it needs a specifically configured Higher Education system to be implemented. This is possible only when Institutions acquire academic autonomy. Autonomy will enable Higher Education providers to modify Curriculum/Syllabi with a thorough understanding of specific local Industrial/Business needs such that the students are equipped with the updated and relevant skills for better careers.

Session 1: The Importance and Scope of Accreditation
Session 2: The Road Map to Autonomous Status
Session 3: Sustaining Autonomous Status and Accreditation
