Draft sent to BOS Members through Mail.

The Managements and Principals of all the Engineering colleges under JNTUA were invited to attend a meeting at JNTUA on 30.08.2023. The agenda of the meeting was related to R23 Regulations, Academic Matters and Examination Related issues. The Honourable Vice Chancellor, JNTUA who chaired the meeting, informed the Autonomous institutions to follow the academic guidelines as given below:

1. Total number of credits shall be 160 for B.Tech. programme and there is no exemption of credits and no additional credits to be studied for the award of B.Tech. Degree.
2. The courses in first and second semesters may be swapped to balance the teaching Workload.
3. There may be up to 20% of deviation in enhancing the content of each course.
4. Flexibility to redefine Course Objectives and Outcomes.
5. Flexibility in offering Professional & Open Electives, verticals/tracks under Open Electives, Skill Enhancement courses.

Further Director Academic and Planning, JNTUA has sent an email dated 31/08/2023, sharing the R23 academic regulations, course structure and first year syllabus applicable for the students admitted into the B. Tech. programmes of Constituent, Autonomous and Affiliated colleges of the University from the academic year 2023-24 onwards. The class work for I Year B. Tech Programs have commenced from 25th September 2023.

In this connection, we hereby attach the syllabus pertaining to various courses offered by the Department of English & FL in the I Year B. Tech Program. We have very recently conducted BoS meetings for all the B. Tech Programs during the month of June 2023 and got approvals from all the members. In view of the recent developments mentioned above, we need to implement the R23 Regulations, Structure and Curriculum specified by the affiliating University (JNTUA) without any deviation for the I Year B. Tech Students admitted during the Academic Year (2023-24)

Hence in this direction, we seek your kind approval through circulation on or before 30th October 2023.
