

**A Report on Inaugural Ceremony of  
"AI Department Student Visionary Community"  
Organised by Department of CSE-Artificial Intelligence  
on 23.10.2024**

**Report Submitted by: Mr. Toralkar Pawan, Assistant Professor, Department of CSE-Artificial Intelligence.**  
**Resource Person Details: Mr. B. Jagadish Kumar, Senior Manager-DevOps TCS-Hyderabad.**  
**Attendance: 400 participants (Students)**  
**Mode of Conduct: Offline**  
**Report Received on 25.10.2024**

Computer Science & Engineering-Artificial Intelligence, Madanapalle Institute of Technology & Science (MITS) successfully organized the inauguration of the "AI Department Student Visionary Community". The event, held in the college auditorium, was graced by key dignitaries from the institution and industry expert. The program commenced by calling the Dignitaries on the stage, followed by the traditional lamp lighting ceremony. This was accompanied by a heartfelt prayer song by Ms. Navyasree, III CSE-AI student. which added a spiritual and uplifting start to the occasion. Dr. K. Chokkanathan, Head of the Department of Artificial Intelligence, has given the welcome address. Dr. P. Ramanathan, Vice Principal of MITS, delivered the presidential address, highlighting the significance of AI and emerging technologies in shaping the future of engineering students. Mr. Pawan, Assistant Professor, addressed the gathering, emphasizing the importance of community engagement for AI and DevOps learning.

A key highlight of the event was the official launch of the "AI Department Students Visionary Community" logo by the Chief Guest, Vice Principal (Academics), Head of Department, Faculty Co-Ordinator, Student Co-Ordinator. The logo represents our shared vision and mission to explore and innovate in the field of Artificial Intelligence. It's unveiling symbolized the community's commitment to fostering collaboration, knowledge-sharing, and forward-thinking among AI enthusiasts.

Following the logo launch, a prestigious badging ceremony was held. During this, badges were awarded to the key members of the community's leadership, including the Faculty Coordinator, Treasurer, Secretary, Joint Secretary, Office Bearer. This ceremony was a recognition of the roles these individuals will play in guiding the community and ensuring its success moving forward. Chief guest, Mr. B. Jagadish Kumar was introduced by Mr. Sairam, III CSE-AI student. Mr. Kumar shared his extensive industry knowledge on DevOps and its integration with AI, encouraging students to leverage these technologies for innovation.

Name	Responsibility
Mr. Toralkar Pawan (Assistant Professor)	Faculty Co-ordinator
Mr. Kiran Palakeeti (Assistant Professor)	Treasurer
Ms. P. Roshitha (Student)	Secretary
Mr. B. Vishnu Vardhan (Student)	Joint Secretary
Mr. K.Ajay kumar (Student)	Office Bearer
Ms. T Prathyusha (Student)	Office Bearer
Ms. Jeshnavi Chintapalli (Student)	Office Bearer
Mr. K.Tharun Kumar (Student)	Office Bearer

As the event concluded, we honored our chief guest with a traditional shawl and memento, expressing our gratitude for their presence and support. This gesture marked the end of a successful inauguration and the beginning of a bright future for our community. The event was ended with Vote of Thanks by Mr. P. Kiran, Assistant Professor, Department of CSE-Artificial Intelligence.

#### Outcome:

The student visionary community was established in the department to provide quality training program for the students' community. Through this community department is planning to conduct Seminar, Workshops and short-term training programs for the betterment of the student's career.
