Report On
CSE-AI Virtual Alumni Meet - 2025
Organized by Department of CSE(AI)
In Association with MITS Alumni Welfare Association
17th May 2025

Report Submitted by: Mrs. Ayisha Noori V K, Assistant Professor & Department Alumni Coordinator Department of CSE(AI)
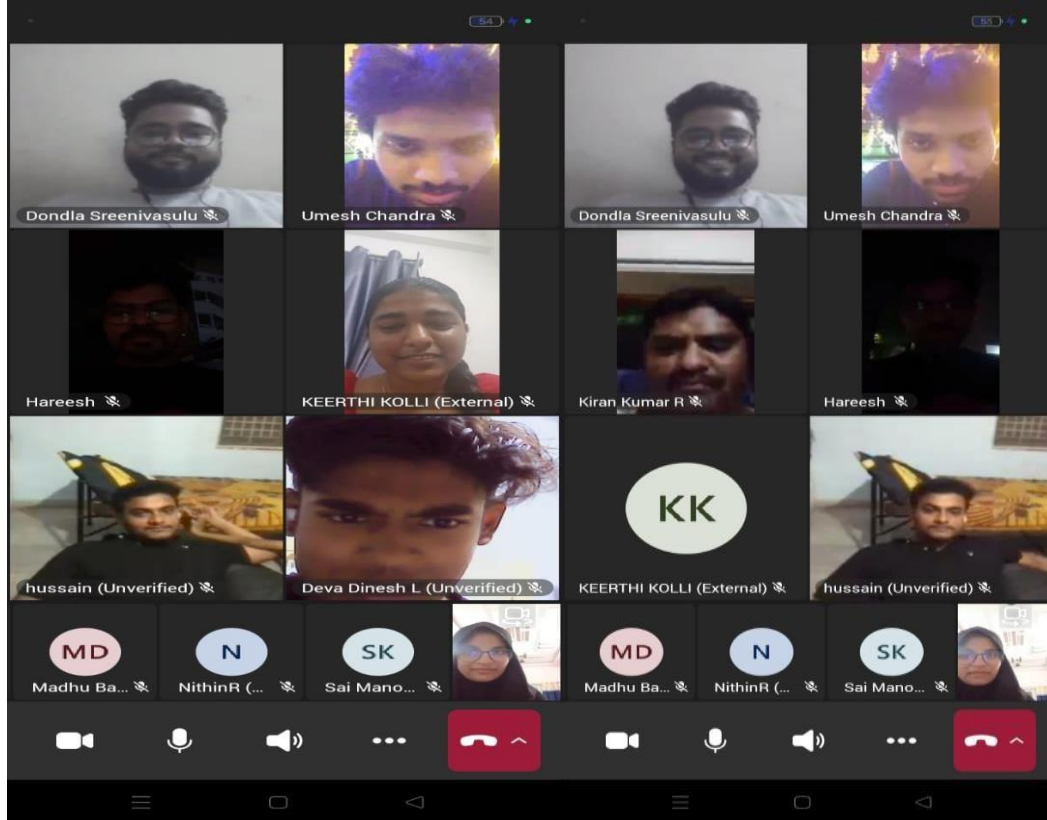

Attendance: 32 Alumni (Virtual Mode),
Dr. K Chokkanathan, Asso.Professor & Head, Department of CSE(AI) Dr B Vamsi, Assistant Professor, Department of CSE(AI)
Dr. K Kalaivani, Assistant Professor, Department of CSE(AI) Viswanath J, Academic Coordinator, Department of CSE(AI) Dr. R Kiran Kumar , Alumni Relation Officer, MITS

The virtual meet commenced with a welcome address by Mrs. Ayisha Noori V K, who highlighted the significance of alumni contributions to the department's growth and emphasized the importance of maintaining a strong alumni network. She outlined the agenda for the meet, which included departmental updates, alumni interactions, and future initiatives. The meet aimed to strengthen the bond between the alumni and the institution while providing a platform for networking and knowledge sharing.

Dr. K Chokkanathan, Associate Professor & Head, Department of CSE-AI, addressed the alumni, providing an overview of the department's recent achievements, ongoing projects, and future plans. He emphasized the department's commitment to academic excellence, research advancements, and industry collaborations. He also acknowledged the valuable contributions of the alumni in various fields and encouraged them to continue their association with the department.

The meet had interactive sessions. In these sessions, alumni shared their experiences, career journeys, and insights. Alumni members shared their ideas, and offered help to find mentorship opportunities. Some alumni said they were ready to help the department. They offered to give guest lectures, conduct workshops, and work on industry projects.

Dr. B Vamsi, Dr K Kalaivani, and Academic Coodinator J Vishwanath also participated and shared insights on the university's initiatives to enhance alumni relations and future collaborations. The session included discussions on career advancements, industry trends, and potential collaborations between alumni and current students. Alumni members enthusiastically shared their experiences, memories, and valuable suggestions for the development of the department and institution.

VOTE OF THANKS

Dr. R Kiran Kumar, Alumni Relation Officer, delivered the vote of thanks, expressing gratitude to the Management, Principal, Vice Principal (Academics), and the Head of the CSE-AI Department for their unwavering support and encouragement.

Program Outcomes:

The CSE-AI Virtual Alumni Meet was a resounding success, achieving its objectives of reconnecting alumni and fostering a sense of community. The event provided a platform for valuable interactions and paved the way for future collaborations. Based on the discussions and feedback, the following recommendations are proposed:

1. Establish a Regular Alumni Interaction Series Organize periodic virtual sessions where alumni can share industry insights, career advice, and experiences with current students.
2. Create an Online Alumni Network Platform Develop a dedicated portal or social media group to help alumni and students stay connected, share opportunities, and collaborate.

3. Invite Alumni for Department Activities Involve interested alumni in departmental events such as guest lectures, workshops, hackathons, and project reviews.

4. Launch a Mentorship Program Pair alumni with students based on career interests to offer personalized guidance, internship support, and skill development.

Conclusion:

The CSE(AI) Virtual Alumni Meet showed the strong connection between the department and its alumni. It gave a chance for valuable conversations and set the stage for future teamwork. The department aims to keep building its alumni network and use their knowledge to support students and help the institution grow**.**
