

**A Report on Inauguration of
“IEEE Information Theory Society Student Chapter”
Organised by Department of Computer Science and Engineering - AI & ML
In Association with IEEE
on 17.12.2024**

Report Submitted by: Dr. E. Sandhya, Assistant Professor, Department of CSE -AI&ML.

Chief Guests Details: Prof. Y. Vijayalata, Chair of IEEE Hyderabad Section, Treasurer of IEEE India Council and Professor in the Department of Computer Science and Engineering at Vardhaman College of Engineering, Hyderabad; Dr. V. Jayaprakasan, Treasurer of IEEE Hyderabad Section and Professor in the Department of ECE at Sreenidhi Institute of Science and Technology, Hyderabad

Participants: II Year CSE – AI & ML and CSE- Networks

Venue: Scale-up Room

Mode of Conduct: Offline

Time: 10: 30 AM

Report Received on 23.12.2024.

Event Overview:

Department of Computer Science & Engineering – AI & ML in association with IEEE have inaugurated “IEEE Information Theory Society Student Chapter”. The objective of the IEEE student chapter is to enhance students in various aspects such as learning advanced technologies, networking, research opportunities, etc.

Welcome Note:

The event commenced with a warm welcome address delivered by Dr. E. Sandhya, Assistant Professor in the Department of CSE – AI&ML. Dr. S. Padma, Associate Professor and Head of the Department of CSE – AI & ML at Madanapalle Institute of Technology & Science (MITS), Madanapalle, greeted the chief guests and provided a concise overview of the event's proceedings, and introduced them to the participants. Dr. P. Ramanathan, Vice Principal of Academics of MITS, Madanapalle, explained the significance of IEEE student chapter. Dr. C. Kumar, the MITS IEEE Student Branch Counsellor, motivated the students to pursue IEEE memberships. Ms. Bhavana and Ms. Pranitha of II Year CSM provided a brief introduction to the Chief Guest's profile.

Chief Guest Address:

Prof. Y. Vijayalata, Chair of IEEE Hyderabad Section, Treasurer of IEEE India Council and the chief guest of the event, delivered the chief guest address and extended her greetings to the society. As a life member of IEEE, she shared her journey of becoming an IEEE member, her nomination to various positions within the organization, and her contributions to the IEEE society in multiple capacities. She also highlighted her efforts in supporting the student community and explained how the IEEE society plays a vital role in helping students with their career development.

Dr. V. Jayaprakasan, Treasurer of IEEE Hyderabad Section and the chief guest of the event, he shared his wide and vast experience with IEEE. He encouraged students and faculties to become IEEE members. He mentioned various merits of being an IEEE member and how students can be a part of the society. He also discussed various networking opportunities and advantages of an IEEE member.

The chief guests Prof. Y. Vijayalata and Dr. V. Jayaprakasan declared the society officially open and delivered the greeting note.

Subsequently, the chief guests were felicitated with tokens of gratitude by Dr. P. Ramnathan, Vice Principal, Dr. S. Padma, Associate Professor and Head of the Department of CSE – AI & ML and Dr. C. Kumar, MITS IEEE Student Branch Counsellor.

Vote of Thanks:

Dr. E. Sandhya concluded with a vote of thanks. On behalf of the HoD, she expressed sincere gratitude to the Management, Principal, Vice-Principals, for initiating and encouraging the IEEE student chapter.

Outcomes:

1. Build connections with professionals, faculty, and peers in the field, opening doors to internships, job opportunities, and collaborative projects.
2. Access IEEE publications, research materials, and exclusive educational resources to enhance your learning experience.
3. Strengthen your resume by showcasing active involvement in a globally recognized professional organization.
4. Engage in outreach programs and community service initiatives to foster a sense of responsibility and strengthen ties to the local community.
5. Collaborate with faculty or industry experts on projects and research, potentially leading to publications or conference presentations.
6. Develop leadership and management skills by taking on leadership roles within the chapter, preparing for future career challenges.
