

Report Submitted by: Mr. Udayakumar. P, Assistant Professor, Department of CSE – AI & ML. Resource Person Details: Dr. Swapneel S. Jaiswal, Coordinator of Industry-Institute Interaction Cell (IIIC). Participants: II Year CSE – AI&ML and Networks (140 Students) Venue and Time: SB – Seminar Hall -B and 02:00 PM to 03:00 PM Mode of Conduct: Offline

Department of Computer Science & Engineering – AI&ML has organized an program to students titled "Awareness **Program on Internship and MoU**" on 23.01.2025 (Thursday) from 02:00 PM to 03:00 PM.

Welcome Address:

The event commenced at 02:00 PM with a warm and engaging welcome address by Mr. Udayakumar P, Assistant Professor, Department of CSE – AI & ML, Madanapalle Institute of Technology & Science (MITS), Madanapalle. The Awareness Program on Internship and MoU was organized with the primary objective of educating second-year students and faculty members about the significance of internships and Memoranda of Understanding (MoU) in bridging the gap between academia and industry.

Keynote Address:

Dr. S. Padma, Associate Professor & Head, Department of CSE – AI&ML, Madanapalle Institute of Technology & Science (MITS), Madanapalle welcomed the resource person with her keynote address and motivated the students to enrich themselves.

Resource Person Lecture:

During his address, Dr. Jaiswal emphasized the importance of internships as a bridge between academic learning and practical industry experience. He elaborated on how internships allow students to gain hands-on exposure to real- world scenarios, enabling them to develop critical technical and professional skills. Dr. Jaiswal further discussed the significance of Memoranda of Understanding (MoU) between academia and industry, highlighting how such partnerships foster collaborative research, enhance skill development programs, and create internship and placement opportunities for students.

In addition, he shared valuable insights into the latest industry trends, with a particular focus on the growing demand and opportunities in the field of Artificial Intelligence and Machine learning. Dr. Jaiswal encouraged students to proactively seek internships and leverage MoUs for career advancement while stressing the importance of adaptability and continuous learning

in the ever- evolving technological landscape. The lecture was both inspiring and informative, equipping participants with a clear understanding of how internships and MoUs can shape their academic and professional journeys.

Vote of thanks:

The event formally concluded with a vote of thanks delivered by Mr. Udayakumar.P, Assistant Professor, Department of CSE – AI&ML. He expressed sincere gratitude to the resource person for the time to share his expertise.

Outcomes:

At the end of Program, Students can able to,

- 1. Understand the Importance of Internships
- 2. Comprehend the Value of MoUs
- 3. Identify Emerging Trends in Networking
- 4. Develop a Career-Oriented Mindset
- 5. Plan for Future Internships

UN-SDG Mapping:

Goal-4: Quality Education

Goal-8: Decent Work and Economic Growth Goal-9: Industry, Innovation, Infrastructure Goal-17: Partnerships for the Goals
