Ramanathan, Head of the Department of Artificial Intelligence and AI & ML Dr. K. Chokkanathan, and with Chief Guest Dr. D. Pradeep Kumar. Welcome address is given by the Head of the department Artificial Intelligence and AI & ML, felicitate by the vice principal (Academics).

Chief Guest has given brief content on the following topics:

1. Motivational Speech for the parents and students
2. How to support the students for their growth
3. Importance of college life and how to focus on studies
4. How to be a self-controlled person
5. Tips to develop the self-motivation
6. Responsibility of a students in their college life.

Outcome of the Meeting:

The Parents along with the students participated in the meeting and they came to know about the students’ performance in the semesters.

- The participants were able to know about the academic activities and got motivation by the chief guest.

The response and feedback were good, and the parents made the session more interactive by enquiring the resource person on the topics discussed and on their own topic of interest. They also requested for similar parents meeting in future. The session was ended with thanking the MITS management for the opportunity given.
