NBA Accredited - B.Tech. (CIVIL, CSE, ECE, EEE, MECH, CST), MBA & MCA

Company Details:

1. **Name:** Mr. Middolla Ganesh Reddy
2. **Designation:** Founder, SRADEX Learning
3. **Qualification:** Student, III Year B.Tech CSE AI, A Section), Madanapalle Institute of Technology & Science, Deemed to be University

Objectives of the Program:

1. To establish a formal collaboration between MITS and SRADEX Learning.
2. To promote joint training, internships, and project opportunities for students.
3. To encourage knowledge exchange between academia and industry.

Report Summary:

The Department of Computer Science and Engineering (Artificial Intelligence), MITS (Deemed to be University), organized an **MoU Signing Ceremony** with **SRADEX Learning**, Madanapalle, on **28th October 2025** in **Seminar Hall-B**. The event aimed to establish a collaborative partnership between MITS and SRADEX Learning to promote academic growth, research, and industry-oriented training opportunities for students. The ceremony began with a warm welcome to the dignitaries, including **Dr. K. Chokkanathan**, Associate Professor, **Dr. R. Kalpana**, Head of the CSE-AI Department, **Dr. P. Ramnathan**, Principal (Academics), **Mr. Ganesh**, Founder of SRADEX Company, and **Mr. Harinath Reddy Digavinti**, representing SRADEX Learning. The program commenced with the traditional lamp-lighting ceremony, followed by addresses from faculty, HoD and the principal highlighting the importance of industry-academia collaboration and innovation-driven learning.

During the event, Mr. Ganesh, Founder of SRADEX Learning and student of the AI Department, introduced the company and shared its vision of making learning simple, practical, and accessible. The highlight of the day was the signing and exchange of the Memorandum of Understanding (MoU) between MITS (Deemed to be University) and SRADEX Learning, marking the beginning of a new chapter in collaborative learning and innovation. The ceremony concluded with a vote of thanks, acknowledging the efforts of faculty, dignitaries, and participants who made the event a grand success.

Program Outcomes:

1. Strengthened ties between academia and industry through a formal MoU.
2. Opened pathways for student internships, workshops, and collaborative projects.
3. Enhanced the department's industrial exposure and partnership network.

Conclusion:

The **MoU Signing Ceremony** between **MITS (Deemed to be University)** and **SRADEX Learning** was a significant milestone in strengthening academic-industry collaboration. The partnership aims to provide students with enhanced learning opportunities, practical exposure, and access to real-world industrial training. The event successfully reflected the institution's commitment to fostering innovation, research, and skill-based education. Overall, the ceremony marked the beginning of a promising collaboration that will benefit both the academic community and industry in the years to come.
