On August 14, 2024, the AI department hosted an alumni interaction program titled "Strategies to Crack the Accenture Selection Process." This event aimed to equip final-year students with insights and strategies to approach the recruitment process at Accenture, one of the leading global consulting firms.

The programme is started at 10:30 AM with a welcome address to all the audience by the **Dr. K Chokkanathan**, H.O.D, CSE-AI, MITS, Madanapalle. The session was inaugurated by **Dr. P Ramanathan**, Vice-Principal, Academics. The resource person was our Alumni student from 2024 batch, **Ms. Bonthala Sree Sowmya**, Packaged App Developer, Accenture, Bengaluru.

The resource person started the session by extending her hearty thanks to the participants, organising members, HoD, Principal and Management of MITS Madanapalle for giving opportunity to share her knowledge and experience.

Key Takeaways

Preparation is Key

Alumni emphasized the significance of thorough preparation, including researching the company, practicing technical skills, and understanding the role applied for.

Soft Skills Matter

While technical expertise is crucial, soft skills such as communication, teamwork, and problem-solving are equally important, especially during interviews.

Mock Interviews and Assessments

Conducting mock interviews and practicing with online assessment tools can significantly boost confidence and performance.

Leveraging University Resources

Students were encouraged to utilize university career services for resume reviews, mock interviews, and workshops on communication skills.

Networking

Building connections within the industry can provide valuable insights and potentially lead to referrals, enhancing the chances of securing an interview.

Feedback

Feedback from attendees was overwhelmingly positive, with many students expressing gratitude for the practical insights shared by the alumni. The interactive format allowed students to ask questions relevant to their unique situations, making the session impactful.

Conclusion

The "Strategies to Crack the Accenture Selection Process" program successfully equipped students with valuable knowledge and strategies to approach their job search confidently. The alumni's willingness to share their experiences and advice created a supportive environment that fostered learning and inspiration. Future interactions of this nature are recommended to continue bridging the gap between students and successful alumni.

After the session, The Chief guest was honored by Dr. K Chokkanathan, HOD -AI dept. and felicitated by students and staff. The session concluded with the vote of thanks given by Mrs. Ayisha Noori VK, Department Alumni Coordinator.
