**CM' S Centre of Excellence**

**About CM' S Centre of Excellence**

CM'S Centre of Excellence is set up at MITS and our campus promotes skill-development and entrepreneurship among students with the help of Andhra Pradesh State Skill Development Corporation (APSSDC).

**Objectives**

1. Upgradation of technical capabilities consistently and in line with industry needs.
2. Improve student employability and help students compete and succeed in the national job market with better pay and professional development.
