Report Submitted by: Mr.Pujari Rajesh, Assistant professor,
Department Mechanical.

Attendance: 171 participants (Students&Faculty)

Introduction :

On 20/11/2024, the National Service Scheme (NSS) unit MITS organized a Blood Donation Camp in collaboration with NTR Blood Bank and in association with HDFC Bank. This noble initiative aimed to encourage blood donation among students and faculty members, ensuring that the life-saving resource is made available for those in need. The camp was held from 10:00 AM to 4:40 PM at Seminar Hall-C, and witnessed a remarkable turnout of both donors and supporters.

Event Highlights :

The inauguration of the event was done by all 3 esteemed guests, who graciously marked the beginning of the blood donation camp with their presence and support. The camp was attended by a total of 171 participants, including both students and faculty members, who came forward to donate blood. The event was supported by 44 volunteers from the NSS team who helped in organizing the camp, guiding donors. Additionally, a group of 10 NCC cadets actively participated in the camp by donating blood, demonstrating their commitment to serving the community and supporting this noble cause.

Guests and Dignitaries :

The event was graced by the presence of 3 esteemed guests, whose support and encouragement added value to the camp. The following guests attended and shared their thoughts on the importance of blood donation:

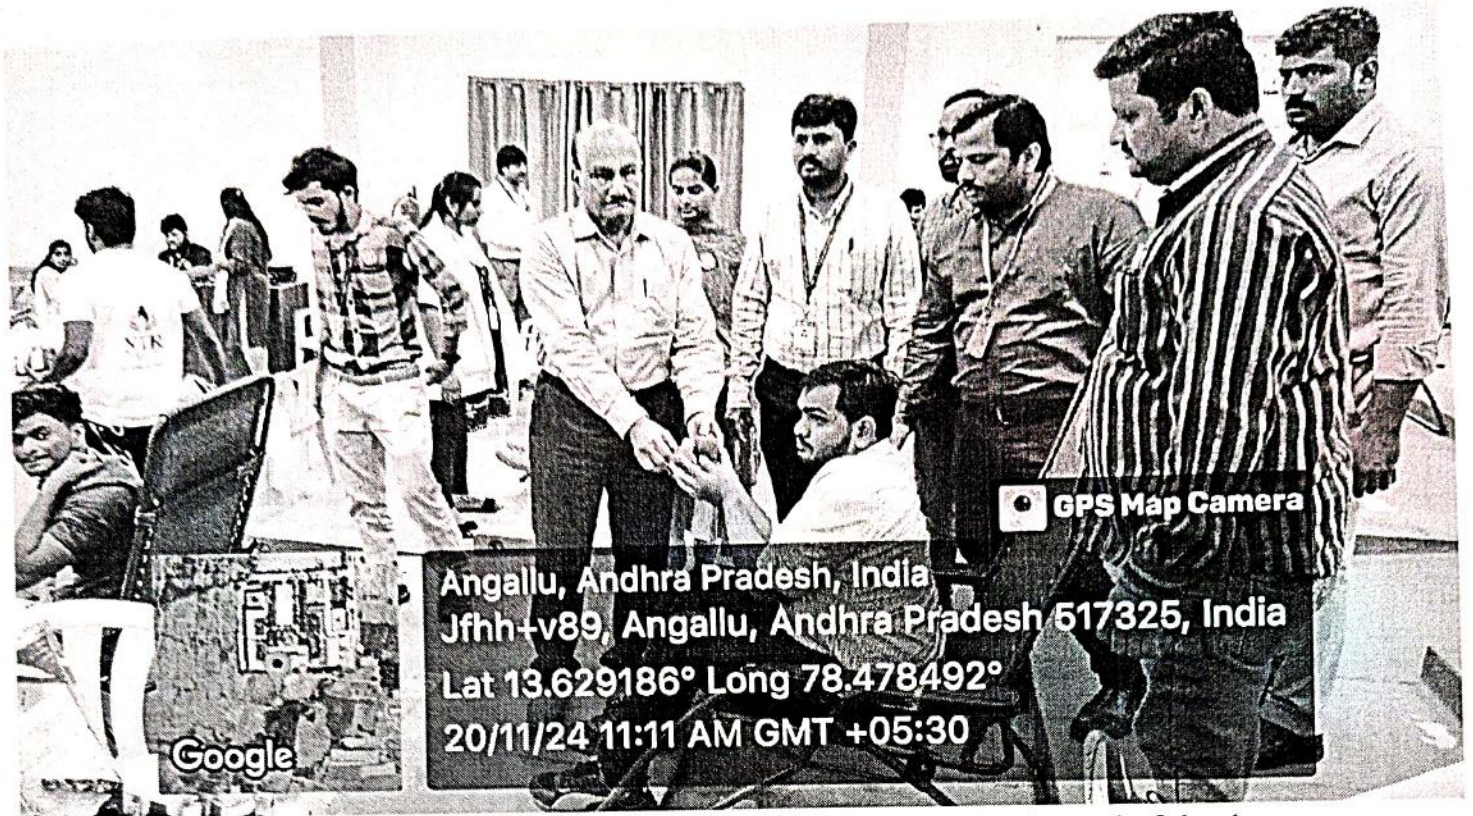

1. Mr. Thulsi Ramnadu, Advisor, R&D
2. Mr. Ravi, NTR TRUST Blood Bank Incharge
3. Mr. Mallikarjuna, Operations Manager, HDFC Bank Madanapalle

Their words of inspiration motivated the attendees to come forward and donate blood, helping raise awareness about this vital cause.

Event Process :

The event commenced at 10:00 AM with a brief yet impactful introduction about the importance of blood donation, delivered by Mr. Pujari Rajesh. The session highlighted the urgent need for blood donations, the types of patients who benefit most from blood transfusions, and how each donation can save up to three lives. It also addressed common misconceptions about blood donation and reassured donors of the safety and ease of the process. Following this insightful talk, the attendees were guided to the donation area, where the experienced team from NTR Blood Bank took over the operations. The NTR Blood Bank staff, along with qualified medical professionals, ensured that every donor received the necessary medical check-ups before donation, including a brief health screening to ensure eligibility. They provided clear instructions and answered any questions or concerns that the donors might have had. Once cleared, the donors were comfortably settled for the blood donation, which was conducted in a well-organized manner. Medical staff ensured that all safety protocols and hygiene standards were strictly adhered to, and the blood collection was done using sterile equipment. Each donor was monitored closely during and after the donation process. A dedicated post-donation care area was set up, where donors could rest and recover. Donors were given light refreshments, including fruit juices, snacks, and water to help them regain their energy. This post-donation care was essential to ensure that everyone felt comfortable and safe after giving blood. Throughout the day, the camp operated efficiently with continuous support from the NSS volunteers, ensuring smooth registration and guidance for the donors. A short break was provided for lunch, but the process of blood donation continued without any disruption.

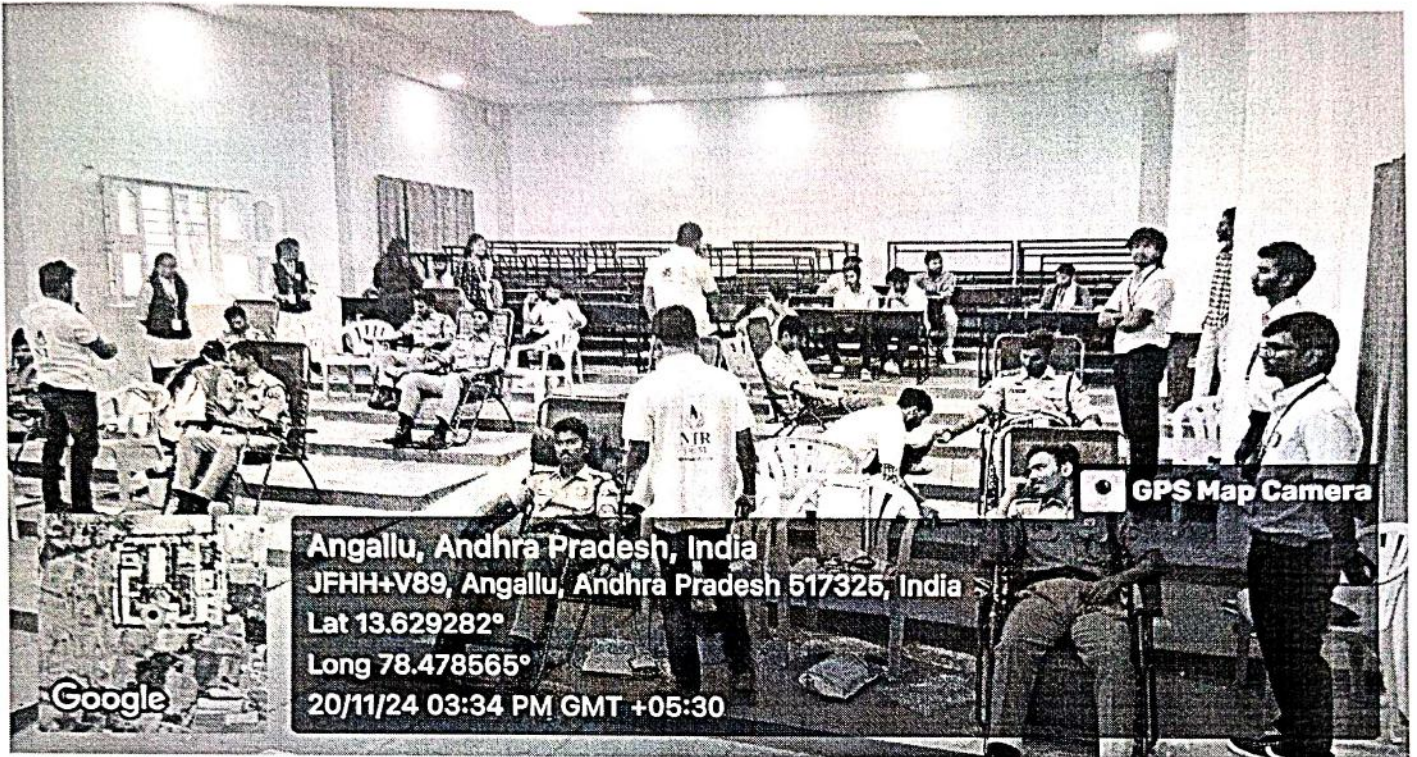

The event concluded at 4:40 PM after a final round of donations, and by the end of the day, an impressive total of 160 units of blood had been successfully collected. This accomplishment would not have been possible without the collective efforts of the donors, volunteers, and the NTR Blood Bank staff.

Among the donors, a notable contribution came from the NCC cadets, with 10 dedicated cadets actively participating in the camp by donating blood. Their involvement demonstrated their commitment to community service and set an inspiring example for others to follow.

We extend our sincere gratitude to each and every donor for their invaluable contribution. Their selfless acts of kindness are a testament to their compassion and sense of social responsibility. The blood donated will be used to save lives in hospitals, assist with surgeries, and provide life-saving support to patients in need. It is through such collective efforts that we can make a real difference in the lives of those facing medical emergencies.

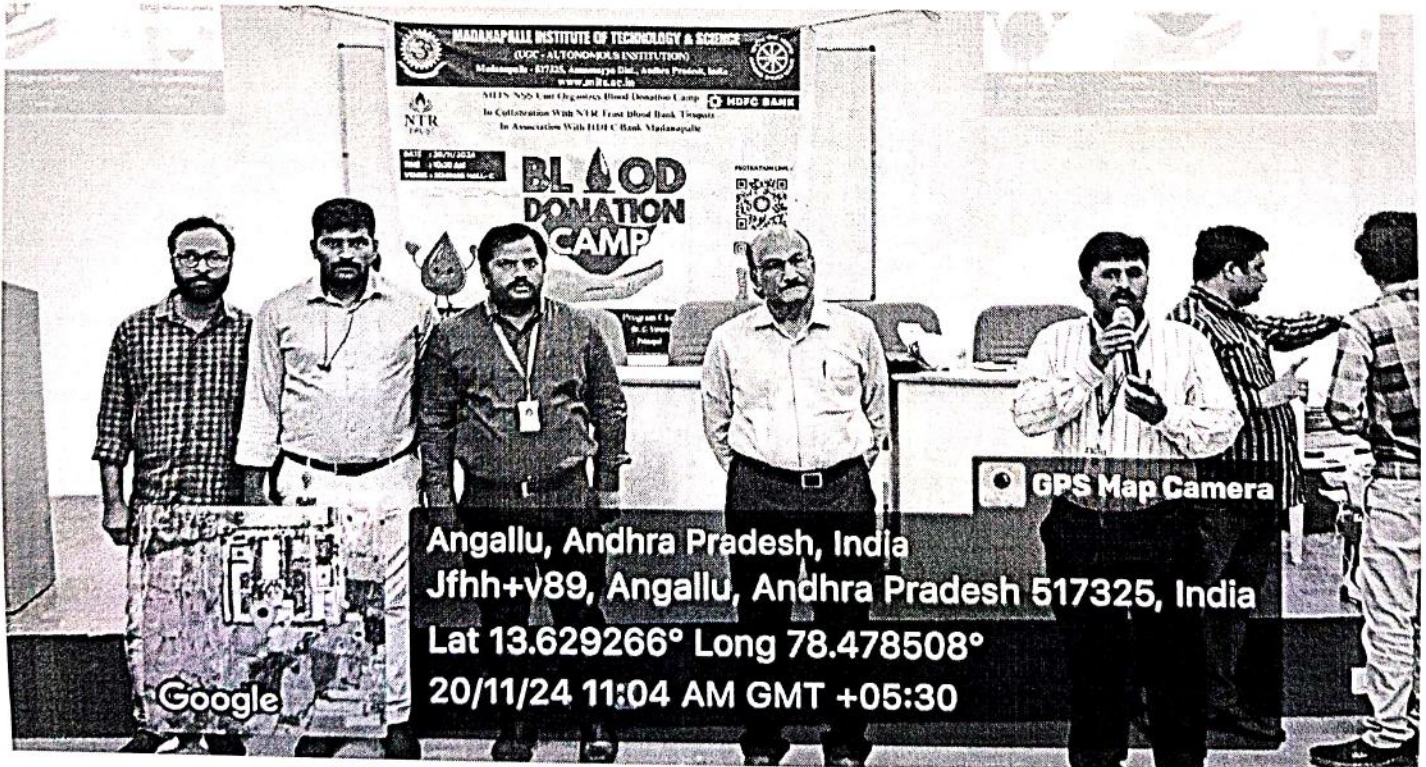

Additionally, we thank the staff of NTR Blood Bank and HDFC Bank for their partnership and support throughout the ev

Their presence and professionalism ensured that the camp ran smoothly and that every donor was treated with the utmost care and respect. We also appreciate the generous support of our faculty members, students, and volunteers, who played an integral role in organizing and executing the event. The success of this blood donation camp reflects the power of collaboration and community spirit. It is a reminder that even small acts of kindness, such as donating blood, can have a profound impact on those in need. We hope that this initiative inspires others to consider donating blood in the future and continues to create a culture of giving in our community.

Acknowledgments :

We would like to express our deepest gratitude to NTR Blood Bank for their partnership in organizing this camp, to HDFC Bank for their association and support, and to all the students and faculty members who contributed to this cause. Their selfless gesture will undoubtedly make a difference to many lives.

Special Thanks to Donors :

We extend our heartfelt thanks to each and every donor for their generous and life-saving contribution. Blood donation is an act of kindness, and your participation has made a significant impact. Your contribution will help save lives, and we deeply appreciate your efforts.

Gratitude Message for Donors :

We express our sincere gratitude to all the donors who participated in the Blood Donation Camp. Your willingness to donate blood is a noble act of selflessness that can save countless lives. On behalf of the NSS team, NTR Blood Bank, and HDFC Bank, we thank you for your generous contribution to this

life-saving cause. We hope that your example will inspire others to come forward and donate in the future. Thank you for being a beacon of hope in the community!

Closing :

The success of this blood donation camp wouldn't have been possible without the support of all involved. We look forward to hosting more such initiatives to continue making a positive impact on society.
