Viksit Bharat@2047 Promotions on 19/12/2023

Viksit Bharat @2047 is the vision of the Government of India to make India to make India a developed nation by 2047, the 100th year of its independence. The vision encompasses various aspects of development, including economic growth, social progress, environmental sustainability, and good governance.

Hon'ble Prime Minister Shri Narendra Modi has announced Viksit Bharat@2047 Campaign from 11th Dec 2023 for the Youth of India.

Introduction:

The Viksit Bharat@2047 promotional event at [Insert College Name] was an engaging and informative gathering aimed at spreading awareness about the vision and goals of Viksit Bharat@2047 initiative. The event provided a platform for students to learn about sustainable development, innovation, and the role of youth in shaping India's future.

Event Highlights:

Keynote Address: The event commenced with a keynote address by Dr. C Yuvaraj, Principal provided insights into the objectives and significance of Viksit Bharat@2047. They emphasized the importance of sustainable practices and the need for collaborative efforts to achieve long-term development goals.

Panel Discussion: A panel discussion featuring experts from various fields, including sustainability, technology, and social development, was conducted. The panelists shared their

experiences, ideas, and suggestions on how young individuals can contribute to building a prosperous and sustainable India by 2047.

Interactive Sessions: Interactive sessions were organized to encourage active participation from the attendees. These sessions focused on brainstorming innovative solutions to address challenges related to environment conservation, rural development, education, healthcare, and other key areas.

An exhibition showcasing successful projects and initiatives aligned with the objectives of Viksit Bharat@2047 was set up. Students had the opportunity to explore innovative solutions, research findings, and practical applications aimed at promoting sustainable development and social progress.

Workshops on topics such as renewable energy, waste management, sustainable agriculture, and community engagement were conducted to provide hands-on learning experiences. These workshops equipped participants with practical skills and knowledge to initiate positive change in their communities.

Conclusion:

The Viksit Bharat@2047 promotional event at [Insert College Name] was a resounding success, bringing together students, educators, professionals, and policymakers to discuss and

promote sustainable development and innovation. The event served as a catalyst for inspiring youth engagement and commitment to building a prosperous and inclusive India by 2047.

Overall, the event achieved its objectives of raising awareness, fostering dialogue, and empowering young individuals to contribute meaningfully to the realization of Viksit Bharat@2047 vision.

Recommendations:

Continued engagement with colleges and educational institutions to sustain momentum and foster a culture of innovation and sustainability.

Collaboration with local communities, NGOs, and government agencies to implement grassroots initiatives and projects aligned with Viksit Bharat@2047 goals.

Regular follow-up events, workshops, and campaigns to track progress, share best practices, and inspire ongoing participation and commitment.

Acknowledgments:

We extend our heartfelt gratitude to all the speakers, panellists, volunteers, participants, and organizers who contributed to the success of the Viksit Bharat@2047 promotional event at [Insert College Name]. Special thanks to [Insert College Name] for hosting the event and providing invaluable support.

Together, let us continue to strive towards building a prosperous, sustainable, and inclusive India by 2047.
