A Report on
"0.22 Rifle-25 Meter Range Firing Practice"
Organized by
NCC Air Wing
on 16.03.2026.

Report Submitted by: Dr. Charan Kuchi, CTO, NCC Air Wing, MITS (Deemed to be University).

Venue: 11(A) Air Sqn (T) NCC, Tirupati

Participants: 13 NCC Air Wing Cadets

Mode of Conduct: Offline

Report Received on 17.03.2026

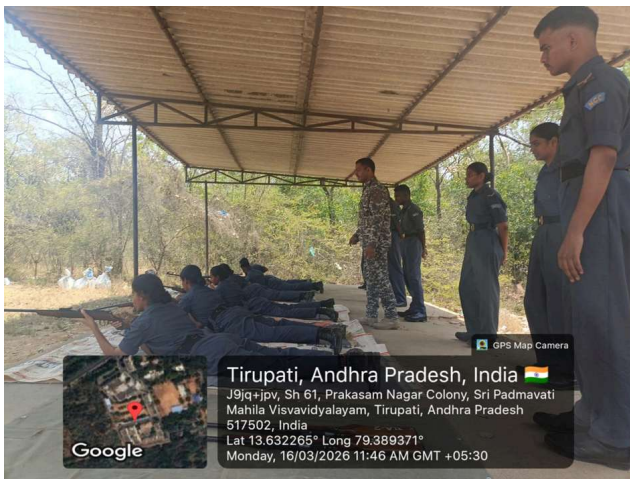

Objective:

The objective of the firing practice was to identify and select the best firing cadets from various institutions for upcoming shooting competitions.

Details of the event:

A total of 13 NCC Air Wing cadets from MITS (Deemed to be University) participated in the 0.22 Rifle, 25-meter range firing practice conducted by 11(A) Air Sqn (T) NCC, Tirupati.

The session provided cadets with practical exposure to shooting techniques, safety protocols, and accuracy improvement under supervised conditions. All cadets actively participated with enthusiasm and maintained discipline throughout the activity.

Outcome:

Based on their performance during the firing practice, four cadets from our institute were shortlisted and promoted for further advanced training sessions in preparation for upcoming shooting competitions.

Conclusion:

The participation of our cadets in this activity was highly beneficial in enhancing their shooting skills and competitive readiness. The selection of four cadets for further training is a significant achievement for the institution.

With regards,

Dr. C. Kamal Basha, M.E., Ph.D.
