

MADANAPALLE INSTITUTE OF TECHNOLOGY AND SCIENCE, MADANAPALLE NSS CELL EVENT REPORT

TEACHERS' day Celebrations organized by NSS wing MITS on 5/09/23

“A Special celebration conducted by the educational institutes to commemorate Dr. Sarvepalli Radhakrishnan’s birth anniversary and to encourage the teachers’ contribution to the society”

Since 1962, India has been celebrating Teachers' Day on 5th September as a symbol of tribute and honor to the contribution made by teachers to the society. Teaching is a noble profession which is respected among society. Teachers have played an important role in the overall development of a person. They are capable to influence and mould a student's life positively. Every student celebrates this day to encourage and support the contribution of his or her teacher. Children are the country's future, hence they need to be positively nurtured and that is done best by teachers as children get inspired by their teachers. Teachers are the architects of our nation who produce eminent scientist, doctors, engineers and honorable professionals etc., Teachers enlighten students and shape their career.

MITS celebrated Teachers Day on 5th September, 2023 with much pomp and revelry. Faculty, staff and students were present.

Dr. C Yuvaraj, Principal, Dr. P Ramanathan, VP-Academics, Dr. Thulasiram Ram Naidu, Associate Dean-R&D, Mr. Pujari Rjesh NSS PO and students started the celebration with giving a tribute to Dr. Saravpalli Radhakrishnan. Raaju in his speech at the celebration put more emphasis on moral and ethical values, which he expected the students to follow. He also wanted the teachers to be role model for the students. He urged them to lead a healthy and disciplined life and create a healthy environment. Dr. C Yucaraj in his speech stressed that "If the teacher is molded properly then the society will also be molded properly". They sacrifice their life, soul for the upliftment of the students by imparting not only knowledge but also wisdom. Knowledge can be obtained through various media like book, novels, newspaper and internet. But students can acquire wisdom only through teachers.

The Principal congratulated the teachers on the eve of the Teachers Day. Then a few numbers of teachers gave speeches and shared their views and experiences. The Management extends Teachers’ day wishes to all the teachers. Finally NSS wing distributed healthy biscuits all the students. The program became a grand success.
