

Certificate of Recognition

This is to certify that

Madanapalle Institute of Technology & Science, Madanapalle, Andhra Pradesh

has been recognized as a Nodal Centre for Universal Human Values for the period 2025–27 by the All India Council for Technical Education (AICTE).

This recognition is conferred in appreciation of the institution's sincere and sustained efforts in:

- Integrating Universal Human Values within its academic framework, with a view to progressively developing its curriculum to be holistic and value-based, through the study of which students can make progress toward their full human potential
- Promoting and facilitating Universal Human Values among neighbouring and sister institutions, and extending these efforts for the benefit of society
- Encouraging and facilitating faculty and students to volunteer for a humane society, environmental sustainability, and contribute to national development

The institution is encouraged to continue and strengthen these efforts, both within the institution and across its region, so that the understanding and practice of Universal Human Values may reach every institution, and contribute to the advancement of holistic, value-based education in the spirit of the National Education Policy 2020.

AICTE conveys its best wishes for the institution's continued growth and future endeavours.
