Report on Election Day 12-May-2024 to 13-May -2024

The MITS National Cadet Corps (NCC) has once again proven to be a vital asset to India's democratic process. In recent elections, a significant number of NCC cadets were deployed on election duty, demonstrating their commitment to the nation and their ability to contribute meaningfully to the electoral process.

- Cadets were stationed at polling booths to assist voters, particularly the elderly, physically challenged individuals, and those unfamiliar with the voting procedure.
- They guided voters through the process, ensuring a smooth and efficient experience.

In areas with high voter turnout, cadets played a crucial role in managing crowds, maintaining order, and preventing any disturbances that could disrupt the electoral process.

- Some cadets were tasked with security duties, monitoring polling stations and surrounding areas for any suspicious activity.
- Their presence helped create a secure and conducive environment for voting.
- Prior to election day, NCC cadets were involved in awareness campaigns to educate the public about the importance of voting and their civic duties.
- They visited schools, colleges, and communities to spread awareness and encourage voter participation.

The active participation of MITS NCC cadets in election duty is a testament to their dedication and commitment to the nation. Their efforts have played a vital role in ensuring the smooth and successful conduct of elections in India. As future leaders, NCC cadets are demonstrating their potential to contribute significantly to the development and progress of the country.
