

A Report on "Freshers' Day Celebrations 2025" Organized by Student Activity Center for the AY 2025-26 on 10.11.2025

The poster for Freshers Day Celebrations 2025 at MITS Madanapalle. It features the MITS logo and text: 'MADANAPALLE INSTITUTE OF TECHNOLOGY & SCIENCE DEEMED TO BE UNIVERSITY (Under section 3 of UGC Act, 1956) Madanapalle-517325, Annapuraya District, Andhra Pradesh, India. www.mits.ac.in'. The main title is 'FRESHERS DAY Celebrations - 2025' with a date of '10th November 2025'. It lists activities under 'CULTURALS' (Beat Bash, Melody Madness, Drama Delights, Fashion Fanatics, Artistry, Insta Flick) and 'SPORTS' (Carroms, Shootput, Chess, Tug of War, Cricket, Throw Ball). A QR code is provided for registration. Contact information for the Cultural Coordinator (M. Harsha Vardhan) and Sports Coordinator (V. Wazid) is listed. At the bottom, it names the Chief Patron (Dr. N. Vijaya Bhaskar Choudary), Patron (Sri. N. Dwarakanath), Program Chair (Dr. C. Yuvaraj), and Convener (Dr. G. Reddy Hemantha).

Report Submitted by: Mr. V. Naveen, Assistant Professor, Dept. of CST/Co-Coordinator-SAC.

Event Coordinators: Dr.G. Reddy Hemantha, Assistant Professor, Dept. of ECE/Coordinator-SAC; Mr.V.Naveen, Assistant Professor, Dept. of CST/Co-Coordinator-SAC; Mr.B.S.H.Shayeez Ahamed, Assistant Professor, Dept. of CSE (AI&ML) /Co-Coordinator-SAC.

Venue: Opposite to SHIVA Block

Mode of Conduct: Offline

Report Received on 21.11.2025.

Student Activity Center [SAC] organized the Freshers' Day Celebrations-2025 for the Academic year 2025 -2026 at MITS Deemed to be University on 10.11.2025 (Monday) from 06:00 PM to 11:00 PM.

WELCOME NOTE

The Freshers' Day Celebrations 2025 commenced on November 10th at 6:00 PM with a vibrant and engaging inaugural function. The event was skilfully anchored by Mr. G. Narendra Kumar (II Year CSE) and Ms. P. Gowri Kowshitha (II Year CSE – AI & ML), proud members of the Anchors Club, MITS Deemed to be University.

In their welcome note, they beautifully highlighted that "this day marks not just an event, but the beginning of dreams, friendships, and discoveries." They emphasized that "the journey of a thousand miles begins with a single step," and that "coming together is a beginning; keeping together is progress; working together is success." Addressing the freshers, they reminded that every great journey starts with one step — and today, that step leads into the future at Madanapalle Institute of Technology and Science, Deemed to be University.

They proudly stated that the incoming students are not just the first batch, but the foundation, the pioneers, and the torchbearers of a new legacy. They inspired the gathering with the message that "the stars shine brightest when a new galaxy is born — and today, a new galaxy begins at MITS Deemed to be University."

With this spirit, they officially welcomed everyone to the **Inauguration Ceremony of the Freshers' Day Celebrations 2025** for the academic year **2025–26**. The day's program unfolded with a series of exciting sessions, creating a memorable and delightful experience for all attendees.

The Inaugural Ceremony began with a captivating classical performance that beautifully showcased the richness of our cultural heritage. Dance is the hidden language of the soul — a divine art that binds rhythm with emotion and movement with devotion. To invoke positivity and set the tone for the evening, the audience was invited to witness a mesmerizing classical dance performance by **Ms. Saranya, II Year ECE**, who enthralled everyone with her grace,

elegance, and expressive artistry. Her presentation filled the gathering with soothing rhythms and exquisite movements, reflecting the true essence of classical tradition.

Following the classical dance performance, the distinguished dignitaries were invited to the dais to perform the ceremonial lamp lighting – a symbol of the traditional inauguration of the event. The eminent guests included:

- Dr. K. Chandra Mohan, First-Year B.Tech Coordinator
- Dr. Bhanu Sree Reddy, Dean, School of Management Studies
- Dr. Rama S. Komaragiri, Dean – Academics
- Dr. Dipankar Roy, Dean, School of Engineering
- Dr. Chandra Prakash Gupta, Dean, School of Computing
- Dr. P. Ramanathan, Principal, MITS Deemed to be University
- Dr. D. Pradeep Kumar, Registrar (In-charge), MITS
- Dr. C. Yuvaraj, Vice-Chancellor (In-charge), MITS
- Sri N. Dwarakanath Naidu, Pro-Chancellor, MITS
- Dr. N. Vijaya Bhaskar Choudary, Chancellor, MITS
- Chief Guest Mr. Kiran Srinivas Atmakuru, Chief Operating Officer, WeXL Edu Limited, Hyderabad, Telangana.

Welcome Address by the First Year Coordinator:

Welcome address by **Dr. K. Chandra Mohan, 1 year B Tech Coordinator**, Sir greeted all the dignitaries on the dais and conveyed his special salute to Dr. N. Vijaya Bhaskar Choudary, Chancellor, It is because of his vision and resolve that MITS exists — he founded this institution in a remote village, determined to offer world-class education with top-tier faculty and cutting-edge infrastructure, including advanced research laboratories. His leadership has transformed MITS from an autonomous college into a Deemed-to-be University, illuminating countless lives with opportunities and hope.

To our freshers he conveyed, that engineering is not merely a four-year program confined within walls. It is a mindset — a way of thinking that seeks to solve problems, he stated that in his view, an engineer is a **creator**, an **innovator**, and a **tech leader**. A creator gives life to ideas; an innovator finds new solutions; and a tech leader will guide the future.

He also shared the three mantras for success over the next four years:

1. **Continuous learning** — always stay curious and keep growing.
2. **Teamwork and networking** — build meaningful connections and collaborate.
3. **Learning from failure** — treat every setback as a stepping stone.

Finally, he concluded by welcoming the freshers to remember that the doors of our university are wide open to every student ready to innovate and make a difference.

Address by Dr. C. Yuvaraj, Vice Chancellor, MITS Deemed to be University:

In his address, Dr. C. Yuvaraj, Vice Chancellor of MITS Deemed-to-be University, expressed his deep joy at witnessing a truly historic moment the Freshers' Day 2025 for the University first-ever batch of students. He emphasized that the students' success will always be regarded as the University's success, and he encouraged them by saying that today marks the beginning of their journey, filled with learning, self-discovery, and boundless possibilities.

He underscored that Freshers' Day is not just a celebration, but a symbol of new friendships, new dreams, and the spirit of togetherness that defines the MITS family. He sincerely thanked all the parents for entrusting their children's future to MITS and congratulated the students for earning their place in the institution.

Reflecting on the University's legacy, he highlighted that for the past 27 years, MITS has steadily built a reputation for academic excellence. He pointed out its A+ grade accreditation by NAAC, NBA accreditation for all programs, and status as an ISO 21001:2018–certified institution. He also shared some institutional statistics: over 8,000 students, 400+ faculty members, and 300+ support staff are currently contributing to a vibrant, high-quality educational environment.

Turning to the students, he noted that many MITS alumni working in top organizations across India and abroad will serve as mentors, guiding them in their career paths. He urged students to be aware of the rapidly changing world — especially with emerging fields such as AI, IoT, cybersecurity, data science, semiconductors, green technologies, drones, 3D printing, and robotics. He encouraged them to pursue global certification programs, including language certifications, to help them stand out on a global platform

He advised freshers to fully utilize the University's laboratories, industry-linked programs, research opportunities and extracurricular activities including NSS, student clubs, sports, and cultural events. He firmly believed that true education is not just about earning a degree, but about shaping character, building confidence and nurturing overall growth

He also assured them of the University's support: management backing through SEED grants, opportunities for innovative projects, international internships and assistance via the Student Welfare Cell with merit scholarships and educational loans, all geared toward enabling students' success.

Further, he encouraged students to enhance their communication skills, technical expertise, and team spirit — grounded in strong professional ethics. With pride, he spoke of MITS Community Radio as a unique platform for creativity and expression, inviting students to share their ideas and let their voices inspire others. In closing, on behalf of the University, he urged the students to uphold respect for their teachers, to maintain discipline and unity, and to strive for excellence in all that they do. He called upon them to make both their parents and the institution proud through their achievements. Finally, he extended heartfelt gratitude to Mr. Kiran Srinivas Atmakuru, COO of WeXL Edu Limited, Hyderabad, for gracing the occasion, and thanked all dignitaries present on the dais.

Address by Dr. Bhanu Sree Reddy - Dean School of Management Studies

She greeted the dignitaries and she greeted freshers as “Fresh” is indeed a magical word. As freshers, today you embark on a new journey and this is the place where you will explore everything the world has to offer. By choosing MITS Deemed-to-be University, you have made a wonderful decision and she invited all freshers to truly embrace the values that define our institution.

She conveyed that you all, the first batch of freshers, have the potential to hold our flag high not just as job seekers, but as future job providers. With ambition, integrity and hard work, you can shape your own path and contribute meaningfully to society. Finally, on behalf of entire university, she extended a warm and heartfelt welcome to you all to MITS to grow, learn and achieve greatness.

Address by Dr. Rama S Komaragiri – Dean -Academics:

He warmly greeted all the dignitaries both on and off the dais and addressed the energetic gathering of young students. He recalled a timeless mantra: “If your heart is happy, your words will be happy; but if your heart is unhappy, your words will seem unhappy.” He explained that a joyful heart truly enriches life. When you consciously nurture happiness in your mind, you invite more joy, strong relationships, and fulfilling experiences. By investing time in building yourselves both personally and intellectually — you will grow toward great heights.

Sir, assured the freshers that the next four years at MITS will be truly memorable. This is your time to learn, evolve, and forge lasting bonds — a journey of growth and discovery that will define your life ahead.

Address by Dr. Dipankar Roy– Dean -School of Engineering

He warmly greeted all the dignitaries and he stated that it is with great pride that I am congratulating all the freshers for being part of the founding batch of MITS Deemed-to-be University. This is a historic milestone not only for you but for our institution. Engineering in my view, goes far beyond classroom lectures. True engineers must learn to solve real-world problems; they must be driven by a purpose to make humanity more sustainable, more resilient. My sincere hope is that, during your time here, you will grow into brilliant engineers who can address community challenges and

contribute to making the world a better place. Thank you for choosing to join us as the foundation batch of MITS. Your presence marks the beginning of a legacy and I am confident that together, we will chart a future defined by innovation, service and excellence. And finally, he greeted freshers as Welcome to MITS and I look forward to witnessing the remarkable things you will achieve.

Address by Dr. Chandra Prakash Gupta– Dean -School of Computing

He greeted all and he started as I look upon you the founding batch of MITS Deemed-to-be University I feel a profound sense of hope and responsibility. You are not just students; you are the pioneers who will shape the culture and traditions of this institution. The foundation you lay today will influence the character of MITS for years to come. Today's Freshers' Day is more than just a celebration it marks the first time you taste the freedom of college life. But with that freedom comes responsibility. From today onward, I encourage you to live not just as individuals, but as creators of a community: to build, to grow, and to uphold values that will define this University.

Over the next four years, I hope your journey here is filled with joy, learning, and meaningful experiences. As you learn and innovate, remember that your ultimate goal is not just personal success. What you absorb here, what you contribute here — let it ripple out and benefit society. Use your technical knowledge, your creativity, and your passion to give back. Finally, he said, Welcome to MITS, a future you will help build.

Address by Shri.N. Dwarakanath, Pro-Chancellor, MITS DEEMED TO BE UNIVERSITY

Sir warmly greeted all the dignitaries in the dais, all the employees of MITS and all the students of MITS DEEMED TO BE UNIVERSITY. It fills me with pride to address you on this very special occasion. Today is not just another event; it marks the beginning of our university's journey and you, our founding batch are at the heart of it.

Education is important, as many of the speakers have already shared. But tonight, I want to emphasize something even more critical you, the students. You are our future. As the first ever batch of MITS Deemed-to-be University, you carry a unique privilege and with it, a great responsibility. Over the next four years, I urge you to focus deeply on your studies, maintain discipline, and uphold the values of this institution. Strive not only for academic excellence but also for personal integrity. I hope that each one of you will grow into leaders who uplift others, and that you use the guidance and insights of our dignitaries to shape your path forward. Finally, he said that to take these words of wisdom, act upon them and let your time here define the future for yourselves, for MITS and for society at large.

Address by Dr. N. Vijaya Bhaskar Choudary, Chancellor, MITS DEEMED TO BE UNIVERSITY

Dr. N. Vijaya Bhaskar Choudary Garu greeted all the attendees of the Freshers Day Celebrations, first and foremost, wholeheartedly he congratulated the students for choosing MITS Deemed to be University. He urged the students to make the best use of the galaxy of distinguished faculty members who have joined MITS from various parts of the country, holding eminent positions. He advised the students to go through their profiles on the university website and utilize their expertise to enhance their academic and professional growth.

The Chancellor emphasized the importance of fully utilizing the facilities, resources and services provided by the institution. He reminded that it is the combined efforts of both students and faculty that bring pride and recognition to MITS.

Highlighting the future trends, he mentioned that Work-from-Anywhere will be a key global strategy, and encouraged students to learn foreign languages such as Japanese, Korean, Italian, and German to meet worldwide demands. He also spoke about the growing relevance of micro-tasking and advised every student to choose a domain of interest, gain expertise and leverage the abundant resources available at MITS.

In conclusion, he motivated the students to work towards fulfilling the expectations of their village, district, state and country, and to build a bright and meaningful future.

Dr. G. R. Hemantha, Assistant Professor from the Department of Electronics and Communication Engineering and the esteemed Coordinator of the Student Activity Centre (SAC), had the honour of introducing the Chief Guest **Mr. Kiran Srinivas Atmakuru**, the Chief Strategy Officer (CSO) and Chief Operating Officer (COO) of **WeXL Edu Limited**, Hyderabad. A dynamic leader with over 25 years of experience in consulting, IT, and business strategy, he has contributed significantly to global organizations such as **Accenture, Capgemini, Deloitte, Ernst & Young, HCL, and Philips India.**

Mr. Kiran is widely recognized for his expertise in corporate strategy, client relationship management, stakeholder engagement, ERP solutions, supply chain management, and enterprise technologies across SAP, Oracle, and custom

platforms. His leadership roles have spanned SAP Solution Architect, Regional Business Unit Leader, ERP Practice Leader, Oracle JDE Manager, and SAP Consultant.

He has earned several prestigious accolades, including the **“Recognition Award”** from Deloitte U.S. for outstanding leadership, and has presented influential papers on supply chain management at national platforms such as IIT Chennai and SIOM’s TATTV ’09. A meritorious academic performer, he secured an impressive **99.84 percentile in GATE**, received the **Andhra Cement Gold Medal** for academic excellence, and is an accomplished member of the **Institution of Engineers, India (FIE)**.

Academically, he is a **Post Graduate in Industrial Engineering (PGDIE)** from **IIM Mumbai (formerly NITIE)** and holds a Bachelor’s degree in Mechanical Engineering from Nagarjuna University, where he stood first in the university.

With his vast experience, thought leadership, and commitment to educational excellence, Mr. Kiran Srinivas Atmakuru continues to inspire young minds and industry professionals alike.

Address by Chief guest Mr. Kiran Srinivas Atmakuru, Chief Operating Officer, WeXL Edu Limited, Hyderabad, Telangana

Mr. Kiran Srinivas Atmakuru warmly greeted all the dignitaries on and off the dais. He shared that the Freshers’ Day celebrations brought back memories of his own student life nearly 30 years ago. He began by congratulating all the freshers for choosing **MIT Deemed to be University**, assuring them that they are in safe hands as they transition from school life to college life, an important milestone in their journey.

He emphasized that college is a stepping stone for building a successful career, and that the time students spend here is extremely valuable for shaping their future. Sir, expressed his desire to share a few success principles that can guide students in their careers and inspire them to contribute meaningfully to society.

Addressing the current trend of startups in India, he highlighted that students today have the potential to become **either job seekers or job creators**. To convey his message effectively, he connected his thoughts with the acronym **MIT**, offering an inspiring theme for personal and professional growth:

M – Meaning

He encouraged students to **bring meaning to their lives and careers** right from college. The foundation laid here whether it leads to a startup or a corporate career—will determine their future. He urged them to focus on academics, as strong academic performance is the gateway to achieving their dream jobs.

He also expressed his appreciation for the confidence and leadership shown by the SAC Coordinators on stage. He encouraged students to participate actively in the many clubs at MIT, as these platforms help shape personality, leadership qualities, and overall student excellence. “Grab every opportunity,” he said, “because these experiences will give true meaning to your career.”

I – Innovation

The second success pillar he shared was **Innovation**. In a fast-changing world, one cannot afford to remain stagnant. Students must constantly embrace new ideas, technologies and concepts.

To nurture innovation, he advised every student to **develop a strong reading habit**. Referring to the popular book Atomic Habits by James Clear, he shared that reading for even one hour a day can improve one’s learning capability by nearly 300% over a year. He urged students to read beyond their academic subjects, build diverse skills, and learn from inspiring innovators like Steve Jobs, whose extraordinary accomplishments stemmed from skills developed beyond the classroom.

T – Technology

The third pillar was **Technology**, which he described as a force disrupting every field across the world. He pointed out that students’ greatest revolution the internet and mobile technology has empowered them to learn, create and innovate like never before. He reminded them that when used wisely, technology can significantly elevate knowledge and opportunities. He cited India’s advancements in defence and artificial intelligence, mentioning that DRDO’s recent AI-driven innovations have gained global attention. Today, India stands as an exporter of cutting-edge defence technologies. He urged students to think about how they too can contribute to the nation through technology-driven solutions.

S – Skill

The final pillar he highlighted was **Skill**, the ultimate differentiator. Skill development opens countless opportunities and he spoke about the “10,000-hour rule,” which suggests that investing 10,000 hours in a particular area can make anyone an expert in that domain. He advised students to spend their time wisely in college by balancing academics, activities, and personal development. Building strong skills today will shape their success tomorrow.

In conclusion, Mr. Kiran Srinivas Atmakuru extended his heartfelt congratulations once again to all the freshers for choosing **MITS Deemed to be University** and encouraged them to make the most of every opportunity to build a bright and meaningful future.

The Prize Distribution Ceremony for the competitions held as part of Freshers' Day 2025 celebrated the remarkable achievements of our talented students. The dignitaries of the event honoured the winners by presenting them with prizes, medals, and certificates, acknowledging their hard work and excellence.

Fresher's Day 2025-SPORTS

Felicitation to the Chief Guest:

As a mark of honour and gratitude the Chief Guest, the honourable Mr. Kiran Srinivas Atmakuru, Chief Operating Officer, WeXL Edu Limited, Hyderabad, Telangana was felicitated during the Freshers' Day 2025 celebrations. The dignitaries expressed their appreciation for his presence and inspiring words, presenting him with a token of respect and admiration for his invaluable contributions to the field of education and academic excellence.

Vote of thanks for Inaugural Ceremony of Freshers' Day Celebration:

Mr. V. Naveen, Assistant Professor from the Department of Computer Science & Technology and Co-coordinator of the Student Activity Centre (SAC), had the privilege of delivering the Vote of Thanks for the session. He expressed heartfelt gratitude to the Chief Guest, dignitaries, faculty, staff, and students for their presence and contributions, ensuring the success of the Freshers' Day 2025 celebrations.

Commencement of Cultural Events:

The cultural events presented by the Freshers' of MITS showcased their diverse talents across a variety of genres. Their captivating performances were a highlight of the day, bringing vibrancy and energy to the celebrations, and were thoroughly enjoyed by all attendees.
