DEPARTMENT OF PHYSICAL EDUCATION & SPORTS

Report On INTRAMURAL SPORTS - 2017 – 2018

“Play to get fit

Get fit to play”.

IM Sports Program Organized & Report done by Mr.R. Rajesh William, Physical Director, Department of Physical Education & Sports.

Intramural (IM) (from the Latin for "within walls") refers to organized sports played within an institution, particularly colleges and universities.

PURPOSE

The purpose of the IM Sports program is to provide an opportunity for every student of MITS College to participate in some type of competitive sports activity as regularly as his/her interest, ability, and time will permit.

OBJECTIVES

- To provide Sports and games for recreation and relaxation from Academic pressure and the rapid pace of modern society for both Men & Women students.
- To provide an opportunity to develop sportsmanship of the highest order.
- To provide an opportunity to make social contacts and friendships which could not readily be developed in the classroom.
- To provide equipment, facilities and encourage wholesome participation in a large number of sports activities by students.

Year-round, the Department of Physical Education & Sports hosted Intramural Sports (IM Sports 2018) for the entire MITS campus community. Notably, there were a variety of games and individual events for 8 various department teams, which provided relief from daily academic pressure, further the social and athletic components of a MITS student's education and enhanced the professional lives of students.

IM Sports programs offer everyone an opportunity to not only enjoy a sport or special event you have done in the past, but also allows you to meet new people in a fun and spirited

atmosphere while increasing your physical fitness. There are no prerequisites for experience, so all skill levels are encouraged to participate and potentially win the IM Championship.

What MITS offers

The MITS IM program is open to students and features 8 games.
