

## **Report on Workplace Treatment of Women**

The event started at 4:00PM in the presence of around 90 women students on 8<sup>th</sup> October 2018. It started with the song sung by Bindhu from MCA 1<sup>st</sup> Year. The guests for the event were Dr.V.L.Pavani, Dr.Parvathi. The program started with speeches given by our guests about social empowerment. The first speaker was Dr.V.L.Pavani who shared her real-time experiences with the students. Next we had a wonderful speech given by Dr.Parvathi sharing her experiences how she was been treated and the problems she faced. Next we had a inspirational speech given by the Chairperson of ICC Cell Dr.Geetha Devi who shared her journey of life and quoted some famous personalities who achieved success. She also mentioned about the problems she faced by the Women in the workplace.

It was continued by the speech of a girl saying how her sister and Mom shared their experiences of how they were treated in the workplace. It is really difficult to live in a society where a woman is only seen as a person who is meant for domestic work. She also shared some stories of how a woman from rural place faced all the difficulties and became successful.

It was concluded that while there is talk in public and social media about empowerment of women and equal rights. The current work place are not completely secure all the time. Women are not treated on par with men in terms of opportunities and remuneration except a few women who have come up to high offices most women are relegated play a second fiddle to a man. The event was concluded at 5:00PM.
