

## **Report of Social Empowerment by Internal Complaints Committee of MITS on 17<sup>th</sup> September 2018**

The event started at 4:00pm with an introductory remark by Dr.Geetha Devi, Chairperson, ICC. Dr.Geetha Devi, said that while there is lot of talk about women empowerment, equality etc, but the ground reality is different and lot more has to be done to make women competitive in the man's world. She added that every woman needs to understand how woman empowerment can be achieved. In this context a group discussion was conducted in which 25 women students participated.

And then all the students spoke about their views on social empowerment. Sravani from 3<sup>rd</sup> Btech spoke about the famous persons in the areas of society and also how their thoughts helped in developing the society. Monika from MBA explained how self-empowerment is required for social empowerment. She also said a quote "whether you think you can or you think you can't – you are right!". The women students have participated very enthusiastically. The discussion was ended at 5:00PM.
