Department of Electrical & Electronics Engineering, MITS – Madanapalle organized a one-day event on National Energy Conservation Day’22 14<sup>th</sup> December 2022. The Theme for the poster presentation is on Energy Conservation.

The event started with the welcome address by Dr A V Pavan Kumar, HoD, EEE. The importance of the Energy Conservation Day and the theme of the poster presentation explained by Ms. Revathy Gopinath, Assistant Professor & IIC coordinator, Dept. of EEE

A total of 22 students i.e. 9 batches participated in poster making competition. The students designed the posters on the theme of Energy Conservation during the event. The participants were given time of 2 hours to think, design and present their idea in the form of a poster. The participants participated very actively and presented their ideas in an innovative manner by sketching their ideas on the poster.

The participants were allowed to present their idea in the form of poster to the committee for evaluation. All the participants presented their idea and how the problems in electric power generation and utilization can be achieved by energy conservation were presented.

The event started at 10:00 am in seminar hall A and ended by 12.00 pm. Students are asked to submit the Posters on the theme of “Energy Conservation”. All the 9 posters are evaluated by the committee and selected as the best two.
