

MADANAPALLE INSTITUTE OF TECHNOLOGY AND SCIENCE

(UGC – AUTONOMOUS)

Report on: Republic Day 26-01-2024

India gained independence on 15th August 1947 and became a republic on 26th January 1950. The new constitution of free India came into force on this day. The day was celebrated in our college with great enthusiasm. The college building was beautifully decorated with flower pots, pictures of heroes from the freedom movement, and national flags. We were overjoyed. On this occasion, the principal, Dr. C. Yuvaraj, addressed the gathering, along with our chief guest, Sri N. Dwarakanath, Director of RRR Educational Academy. He spoke about proper guidance for future careers. After the flag was hoisted by the principal, all the NCC cadets performed a parade and saluted the national flag.
