Report on
Significance of Team Work & Tree Plantation
1 September 2018

Report Submitted

MITS-NCC conducted a program "**Significance of Team Work & Tree Plantation**" at Z.P.High School, Kurabalakota on September 1, 2018. In the beginning, Mr. Venkataramana Reddy - School Headmaster, enlightened the JD & JW Cadets towards the importance of team work and the need for the team work. Next, Lt. N. Naveen Kumar, MITS Associate NCC Officer, gave direction (with success story and team work game playing) and tips to students on how to achieve goals in their future.

The students participated in team work games with enthusiasm and they also showed their interest to learn about new things from MITS-NCC cadets. MITS-NCC cadets helped them to solve the problems with realistic analysis in technical aspects. Students of Z.P.High School were inspired by MITS- NCC cadets at the time of playing team work games. After completion of the program. MITS-NCC and Z. P. High School NCC Cadets conducted '*tree plantation*' at Z. P. High School premises.
