Report on

WORLD EARTH DAY 22th April 2022

Earth Day is an annual event on April 22 to demonstrate support for environmental protection. First held on April 22, 1970, it now includes a wide range of events coordinated globally by Earth Day.

The chief guest of the program is Dr.C.Yuvraj principal of MITS. The NCC cadets had participated in this program and draw a sketch on this event to create awareness about importance of protecting the nature. The NCC cadets were assembled and some opinions were shared by the cadets on the event. The principal Dr.C.Yuvraj garu have said that Earth is precious and it is responsibility of every citizen to protect it.
