Report on WORLD EARTH DAY CELEBRATION BY NCC CADETS

On the occasion of World Earth Day, the MITS NCC Unit came together to raise awareness about the importance of environmental conservation and sustainability. The event featured a special candle-lighting ceremony, symbolizing hope and commitment towards a greener and healthier planet.

Event Highlights:

- The NCC cadets actively participated in lighting candles as a gesture to signify the need for unity and action in protecting Mother Earth.
- The ceremony served as a reminder of everyone's responsibility to safeguard natural resources, reduce pollution, and promote eco-friendly practices.
- Through this simple yet meaningful activity, the cadets emphasized the importance of reducing energy consumption and protecting the environment for future generations.

Objective:

The candle-lighting ceremony not only symbolized the NCC cadets' dedication to environmental causes but also aimed to inspire others to make small changes in their daily lives that contribute to a larger impact on environmental sustainability.

The event concluded with the cadets pledging their commitment to protecting the Earth and promoting environmental awareness among their peers and community.
