**"MITS-NCC Celebrates World Environment Day with Tree Planting Initiative"**

MITS-NCC conducted a "World Environment Day" program from May 27 to June 5, 2024, within the MITS college campus. The principal, Dr. C. Yuvraj, addressed the gathering, emphasizing the crucial role of trees in maintaining ecological balance.

The staff encouraged the NCC cadets and other attendees to participate in a tree planting activity within the college premises. Subsequently, the ANO, Lt. Dr. N. Naveen Kumar, along with other NCC cadets, planted saplings and watered them.

After the program concluded, a photo session was organized featuring the principal, the ANO, and the senior division NCC cadets.
