Activity: Guess the Song – Musical Fun

Venue: Seminar Hall - C, MITS Campus (offline)

Number of Participants: 30 students from various branches

Report Received on 26.03.2026.

Description of the Activity

The MITS Wellness Club organized a recreational activity titled 'Guess the Song' on 07 March 2026 at 2:00 PM in Seminar Hall C. The event was conducted to promote student wellness and provide a refreshing break from academic routine through music-based interaction. The activity included three rounds namely Sing It Forward, Humming Challenge, and Guess the Tune. Students enthusiastically participated in identifying songs, continuing lyrics, and humming tunes while others attempted to guess the songs.

Students participating in the Guess the Song activity organized by MITS Wellness Club.

More than 30 students actively participated in the activity and enjoyed the interactive musical session. The event created a lively atmosphere and encouraged teamwork, listening skills, and student interaction. The program was organized by student coordinators Siri under the guidance of Dr. B. Jagadeesh Babu, Faculty Coordinator of the MITS Wellness Club.

Outcome of the Activity

The activity successfully promoted relaxation, student engagement, and peer bonding. It provided an enjoyable platform for students to interact and spend quality time together while enhancing their musical knowledge and confidence.

SDG Mapped: 3. **Good health and well-being**

We thank MITS Management, Vice-chancellor, Registrar, Principal, Deans, HoDs and other members for their continuous support and guidance. A special thanks to Mr. sukumar and his team for timely support.
