Report on Personality Development program by Dr.G.Hampamma, Vice-Principal – Administration for I B.Tech Girl students on 01 November 2016

As a part of educating I B.Tech girl students on women related issues, ICC of MITS conducted an interaction session on 01 November 2016. Dr.G.Hampamma, Vice-Principal – Administration addressed the students. She advised them on various aspects. The girl students were informed to maintain proper dress code to present in a dignified look. They were also motivated to develop positive attitude. The Vice-Principal (Admin) discussed women related issues and advised the student to be aware of the incidents that are taking place in the society. The girl students were told about the Internal Complaints Committee of MITS. They were asked to express themselves freely on the harassments, if they face any, with the members of the ICC. The functioning of ICC was also explained. They were also encouraged to emerge as courageous persons. A few students shared their views on dress code and other issues at the end of the programme.

Internal Complaint Committee of MITS extends its gratitude to the Management, Principal, Vice-Principals, Deans, Heads of all departments, teaching and non-teaching staff.
