

## Report on women's day

International Women's Day honors the women who have paved the path towards our progress and struggled to take 'womanhood' to a level where it is now. Unfortunately, at the same time, the day is a reminder of the discrimination and inequality that still continues to plague our society. This special day, dedicated to women around the world, is a celebration of the great success of women across all spheres of life as well as shaping the future.

Women's Day celebrates the role of women as a daughter, a wife, a mother, a sister and a homemaker.

MITS ICC celebrated Women's day for girl students & lady staff members on 08.03.2017 at 4:00 PM in the Main Seminar Hall.

Dr. G.Hampamma, Vice Principal - administration inaugurated the program, and explained the importance of women; and shared "A woman is the epitome of love, sacrifice, care and ability to nurture life. Women fight with all odds to emerge as a winner."

Dr. Rosalia H Bonjour, HoD Department of English & Foreign Languages, highlighted "Women now are more empowered and aware of their rights and the society has accepted their stand. The society is changing and paving way for the growth of the women."

Dr. Thamarai, HoD Dept of ECE, said "Women play such an important part in the life of the family. Their value is beyond measure. No amount of money can adequately compensate a woman for her work."

Dr.Geetha Devi, ICC Chairperson, highlighted "The true essence of the day lies in identifying the rights and power of women and giving them a stature that they deserve."

All the speakers shared their opinion about the importance of women's day. Games like antakshari, tenni koit, musical chairs and tug of war were conducted to the participants and prizes were distributed.

Finally the program was concluded with vote of thanks by students.

**We extend our gratitude to the Principal, the Management for permitting us to conduct the Program.**
