Minutes of Board of Studies Meeting (R23)

Minutes of Board of Studies meeting of Department of Mathematics regarding II & III B.Tech syllabus of R23 regulations held on 24.07.2024 at 11.15 A.M through Microsoft teams.

Agenda:

1. Opening remarks by BOS chairman
2. Introduction of External Subject Experts to the Committee members
3. Resolve and approve the II & III B.Tech. Semester Mathematics course structure and syllabus of various branches.
4. Any other matter with the permission of the chair

Dr. P. Ramesh Reddy, HOD started the BOS meeting by welcoming the External Subject experts. Dr. R. Saravana, Academic Coordinator introduced the External experts to the faculty of department of Mathematics.

All the II B. Tech. I & II Semester regular courses Numerical Methods (ME), Probability and Statistics for Computer Science (CSE, CST, CSE(DS), CSE(AI), CSE(CS), CSE(NW), CSE(AIML)), Complex Variables and Transforms (EEE), Complex Variables and Probability Theory (ECE), Probability and Statistics for Engineers (ME, CE), Discrete Mathematical Structures (CSE, CST, CSE(DS), CSE(AI), CSE(CS), CSE(NW), CSE(AIML)) and III B.Tech. Open Elective courses Advanced Numerical Methods (All Branches except ME), Engineering Optimization (All Branches), Number theory and its Applications (All Branches) and Stochastic Models and Regression Analysis(All CSE Branches) proposed syllabus contents are presented to BOS members by the Academic Coordinator and the respective subject course coordinators.

The following points are discussed and the following resolutions are made:

1. In Numerical Methods course, the subject experts suggested to discuss application oriented problems in engineering and the same has been incorporated.
2. In Probability and Statistics for Computer Science course, one of the BOS subject expert suggested to discuss practical oriented problems and the BOS members accepted to discuss the same.
3. The subject experts suggested to conduct guest lectures on the applications of all mathematical courses to bridge the gap between theory and industrial practice.
4. A few minor corrections in all the courses has been taken place and are recorded in the BOS meeting log book.
