The Department of English and Foreign Languages, MITS organized an awareness program on “IELTS and Availability of Scholarships to Study Abroad” on 12/05/25. The objective of this program is to enrich the students of MITS with the pathways and career opportunities in their professional journey. The resource persons are Mr. A. Anil Kumar and Mr. Prasanna Kumar from ARVA Management services, a leading educational consultancy dedicated to guiding aspiring students on their journey to study abroad with 12 years of experience from Hyderabad. They educated students with the requirements of global standards for IELTS and various organizations across the world who provide scholarships and educational loans to study abroad, especially for those students who are struggling with financial constraints despite having outstanding merit records.
