Report Received on 01.01.2025

The Department of Computer Applications at MITS organized a guest lecture featuring Mr. Prasad Kadaba, focusing on "7 Habits of Highly Effective People." The event is part of the institution's collaboration with ISTE, underscoring its commitment to holistic education and technical excellence.

Objective:

The session aims to empower MCA students with practical strategies for personal and professional development.

Dignitaries present:

- Dr. N. Naveen Kumar, Associate Prof & Head, Department of Computer Applications, MITS. Faculty members of the Department of Computer Applications.

Program Details:

The program started with a welcome address followed by the introduction about the resource person to the audience by Mr. Suganya. S, Assistant Professor, Department of Computer Applications, MITS. He has given a short note on Mr. Prasad Kadaba, who holds the position of CAD/CAM Trainer, Department of Mechanical Engineering, MITS. Mr. Prasad Kadaba is a distinguished professional and an inspiring speaker known for his expertise in personal and professional development. With extensive experience in mentoring and guiding individuals to unlock their potential, he brings a wealth of knowledge on leadership, time management, and productivity.

The session was handed over to Mr. Prasad Kadaba by Dr. N. Naveen Kumar, Head, Department of Computer Applications, MITS, with his short speech about the resource person and the importance of learning new things daily.

Expert Talk:

The session, titled "**7 Habits of Highly Effective People**", is inspired by the globally renowned framework developed by Stephen R. Covey. Mr. Kadaba's dynamic approach focuses on instilling practical habits that foster effectiveness, adaptability, and a growth mindset in students.

- **Leadership and Team Building:** Insights into effective leadership strategies and fostering team collaboration.
- **Time Management:** Tools and techniques to manage time efficiently for maximum productivity.
- **Motivation and Self-Improvement:** Inspiring individuals to strive for continuous self-improvement.

Mr. Kadaba has delivered impact talk across various educational and corporate platforms, helping young professionals and students navigate their careers and personal lives with confidence. His ability to connect with audiences and deliver actionable takeaways makes him a sought-after speaker in the field of holistic education and professional growth.

Outcome:

The program empowered MCA students with practical strategies from the "7 Habits of Highly Effective People," enhancing their leadership, time management, and personal effectiveness for academic and professional success.

Concluding session:

The concluding session and the vote of thanks given by Dr. J. Srinivasan, Assistant Professor, Department of Computer Applications, MITS.
