For the selected students, we are pleased to present promising opportunities with an average package ranging from Min 3 to 4 LPA and Max up to 18 LPA upon successful completion of the internship based on skill sets.

Each selected student will be receiving an individual email communication outlining the details of their specific Training and Internship. This email will include information regarding the program structure, onboarding process, and any additional requirements. We kindly request your support in ensuring that the students promptly receive and acknowledge these communications.

We kindly request your assistance in coordinating with the selected students and ensuring a smooth transition as they prepare for their training, internships or placements with Codegnan Destination. Additionally, we would appreciate any support you can offer in terms of facilitating communication between our team and the students.

If there are any further formalities or procedures that need to be followed, please let us know, and we will ensure prompt compliance.

We look forward to a positive and mutually beneficial association with MITS, and we thank you for your cooperation in making this CSR drive a success.

Thank you once again for your collaboration.

Best Regards,

Confidentiality, Data and Intellectual Property Protection

1. Confidential Information

“Confidential Information” shall mean any and all Inventions and Know-how, information and material of TCS (including for avoidance of doubt any Confidential Information of its Clients) that comes into the possession or know of the Intern and shall include the following:

- a) Any and all information processing programs, software, properties, items, information, data, material or any nature whatsoever or any parts thereof, additions thereto and materials related thereto, produced or created at any time by TCS or the Intern in the course of or in connection with or arising out of the Intern’s association with TCS. Program/Software shall mean source code and/or machine instructions wherever resident and on whatever media and all related documentation and software,
- b) All other information and material of TCS relating to design, method of construction, manufacture, operation, specifications, use and services of the TCS equipment and components, including, but not limited to, engineering and laboratory notebooks, reports, process data, test data, performance data, inventions, trade secrets, systems, software, object codes, source codes, copyrighted matters, methods, drawings, computations, calculations, computer programs, narrations, flow charts and all documentation therefore and all copies thereof (including for avoidance of doubt any such material belonging to the Clients of TCS).
- c) Corporate strategies and other confidential and proprietary material and information, which could cause competitive harm to TCS if disclosed,
- d) Customer and prospective customer lists, and
- e) All other information and material, which may be created, developed, conceived, gathered or collected or obtained by the Intern in the course of or arising out of the association with TCS or while in or in connection with or for the purposes of his/her association with TCS or any of the operations and entrusted by TCS to the Intern.

2. Intern’s Obligations

Intern agrees to treat the Confidential Information as strictly confidential and a trade secret of TCS. Intern agrees not to use, or cause to be used, or disclose or divulge or part with either directly or indirectly any Confidential Information for the benefit of or to any third parties except for or on behalf of or as directed or authorized by TCS or to a person

having a valid contract with TCS. Upon termination of employment, the Intern agrees to surrender to TCS all Confidential Information that he or she may then possess or have under his or her control.

3. Intellectual Property Rights

Intern agrees and confirms that all intellectual property rights in the Confidential Information shall at all times vest in and remain with or belong to TCS and Intern shall have no right title or claim of any nature whatsoever in the Confidential Information. Intern shall promptly disclose to an authorized officer of TCS all inventions, ideas, innovations, discoveries, improvements, suggestions, or reports and enhancements made, created, developed, conceived or devised by him or her arising out of his or her engagement with TCS, including in the course of provision of services to the Clients of TCS and Intern hereby agrees and confirms that all such intellectual property rights shall at all times vest in and remain vested in TCS and agrees to transfer and assign to TCS any interests Intern may have in such intellectual property rights including any interest in and to any domestic or foreign patent rights, trademarks, trade names copyrights and trade secret rights therein and any renewals thereof. On request of TCS, Intern shall execute from time to time, during or after the termination of his or her employment, such further instruments, including without limitations, applications for letters of patent, trademarks, trade names and copyrights or assignments thereof, as may be deemed necessary or desirable by TCS to perfect the title of TCS in the intellectual property rights and to effectuate the provisions hereof. All expenses of filing or prosecuting any application for patents, trademarks, trade names, or copyrights shall be borne solely by TCS, but Intern shall co-ordinate in filing and / or prosecuting any such applications. Intern hereby expressly waives any “artist’s rights” or “moral rights”, which Intern might otherwise have in such intellectual property rights.

4. Prior knowledge

Intern acknowledges that prior to his or her appointment by TCS, he or she had no knowledge of the Confidential Information of TCS and that such Confidential Information is of a confidential and secret character and is vital to the continued success of TCS’s business. Intern further acknowledges that he or she is associated with TCS in a capacity in which he or she will become acquainted with all or part of such Confidential Information. In order to safeguard the legitimate interests of TCS in such Confidential Information, it is necessary for TCS to protect such Confidential Information by holding it secret and confidential.

5. Use of Third-Party material

Intern expressly agrees that he or she shall not in the course of his or her association with TCS and while working on the premises or facilities of TCS or its Clients or in connection with the development of any intellectual property rights or work for or on behalf of TCS;

- a) Use any Third-Party material or intellectual property rights except those intellectual property rights provided by TCS or expressly authorised by TCS or without having proper authorisation or license or approval of the respective owner of such intellectual property rights.
- b) Participate in any activity for creation (including conception, design, development, testing, implementation, support or marketing) of any Intellectual Property for or on behalf of TCS or its affiliates if he or she has been exposed, directly or indirectly, to any Third Party IP which is in the same subject area (such as research area, technology or application area) as, or which is same or similar to, the Intellectual Property or any portion thereof, to be so created, unless;
 - i. Intern has expressly declared to TCS in a prescribed form whether such exposure was owing to publicly available information or under and subject to any agreement; AND
 - ii. TCS has expressly confirmed to the Intern that TCS has proper authorization or license or approval of the respective owner of such Third-Party IP to use the same in Intellectual Property or portion thereof to be created and authorized in writing Intern's participation in such activity.
- c) Knowingly access, make reference to or use any Third Party IP (except as permitted under Section 5(a), directly or indirectly, during the period of association with the creation (conception, design, development, testing, implementation, support or marketing) of TCS Intellectual Property or portion thereof, which is in the same subject area of TCS Intellectual Property or which is same or similar to such TCS Intellectual Property or portion thereof being created. In case, Intern access or is exposed to any such Third-Party IP during such association, Intern shall promptly bring it to the notice of TCS IP asset owner or TCS project manager in writing and immediately cease to participate in any such activity.

6. Security policies and Guidelines

- 6.1 Intern agrees to abide by and be bound by any and all policies, documents, guidelines and processes including IP, Information Security and Confidentiality of TCS in force from time to time whether expressly endorsed or not.
- 6.2 Intern acknowledge and agree that in the course of, and as a result of his/her engagement with TCS, Intern will have access to, obtain or come across personal

7. Working in SBWS™ Framework

Intern may be required to work in TCS or its Client's premises or from home (remote working) as per the directions of supervisor and / or the provisions of the applicable policy. Intern understands that working in this hybrid environment may have higher confidentiality and information security risks. Intern acknowledges that when working remotely the Intern:

- a) will work only in a private, secured work area in compliance with the guidelines issued and amended from time to time.
- b) will comply with and work in a manner consistent with TCS Data Privacy and Security Policies/Protocols.
- c) will bring to the notice of HR of the Unit to any circumstances that prevent Intern from working in a manner consistent with TCS data privacy and security policies/protocols.
- d) will inform the HR of the Unit if the Intern shares a home with any family member or an individual who is employed by a competitor of TCS or TCS client the Associate is assigned to, or if any other circumstances at home exist which implicates the TCS Code of Conduct Conflict of Interest provision;
- e) will ensure utmost care and adhere to Confidentiality, IP Protection / Non-Disclosure obligations.
- f) will be using the Company allotted laptop or similar authorized computing device (together called "official asset") only to connect to TCS network/customer network through authorized means (or the Customer provided laptop to access the customer network if so, mandated by the Customer).
- g) will not allow anybody to share the official asset being used
- h) where allowed to use personal workstation/laptop or similar computing device (together called "personal asset") to connect to TCS network/customer network, Intern will ensure that he/she fully complies with obligations under this Confidentiality, IP Protection / Non-Disclosure Agreement and adheres to the security best practices that is generally followed and ensure that Intern's access to TCS / TCS Client systems is in line with the approved model. The Intern further agrees that by seeking permission to use a personal asset, the Intern implicitly authorizes the Company to have unhindered access to run scans / forensics, should there be justified reasons to do so.

8. Restriction on Intern's Rights

Intern agrees that he or she shall not make, have made, replicate, reproduce, use, sell, incorporate or otherwise exploit, for his or her own use or for any other purpose, any of the Confidential Information including intellectual properties of TCS that is or may be revealed to him or her by TCS or which may in the course of his or her employment with TCS come into his or her possession or knowledge unless specifically authorized to do so in writing by TCS.

9. No License

TCS and Intern agree that no license under any patent or copyright now existing or hereafter obtained by TCS is granted, agreed to be granted, or implied by the terms of this Agreement, or by the disclosure to Intern of the Confidential Information.

10. Equitable Rights

Intern acknowledges that any Confidential Information that comes into the possession and / or knowledge of Intern is of a unique, highly confidential and proprietary nature. It is further acknowledged by Intern that the disclosure, distribution, dissemination and / or release by Intern of the Confidential Information without the prior written consent of TCS or any breach of the Confidentiality Clause by Intern will cause TCS to suffer severe, immediate and irreparable damage and that upon any such breach or any threat thereof, TCS shall without prejudice to any other remedies available to it, be entitled to appropriate equitable relief including the relief of specific performance and injunctive relief, in addition to whatever remedies it might have at law.

11. General

- a) The provisions hereof shall be interpreted, determined and enforced in accordance with the laws of India.
- b) In the event of any dispute or disagreement over the interpretation of any of the terms herein contained or may claim or liability of any party, the same shall be referred to a person to be nominated by TCS, whose decision shall be final and binding upon the parties hereto. Subject to the above, the arbitration shall be governed by the Arbitration and Conciliation Act, 1996 or any modifications or re-enactment thereof. Intern confirms that the fact that the arbitrator shall be a nominee of TCS shall not be a ground for objecting to such arbitration or challenging the decision of the arbitrator. The venue of arbitration shall be Mumbai. Subject to the

We were impressed by the skills, enthusiasm, and dedication displayed by the students during the CSR drive. We believe that they will bring valuable contributions to organizations, and we are eager to provide them with a platform to enhance their professional growth.

We would like to inform you that the training and internship programs for the selected students will commence on the **4th of March 2024**. This will be an enriching experience for them, and we are

committed to providing a conducive learning environment for their development.

Students who got selected for CSR Drive will be eligible for availing following benefits:

- Core JAVA, Advanced JAVA, J2EE, FRAMEWORKS(SPRING & HIBERNATE).
- Front-end Technologies – HTML, CSS, JAVASCRIPT & ReactJS
- Database - MYSQL
- Manual Testing
- AUTOMATION Testing
- 10 Real time projects along with the GITHUB TOOL.
- APTITUDE (all the topics will be covered to crack the interview)
- SOFT SKILLS(Interview preparation, group discussion, resume building etc)
- Weekly assessments

For the selected students, we are pleased to present promising opportunities with an average package ranging from Min 3 to 4 LPA and Max up to 18 LPA upon successful completion of the internship based on skill sets.

Each selected student will be receiving an individual email communication outlining the details of their specific Training and Internship. This email will include information regarding the program structure, onboarding process, and any additional requirements. We kindly request your support in ensuring that the students promptly receive and acknowledge these communications.

We kindly request your assistance in coordinating with the selected students and ensuring a smooth transition as they prepare for their training, internships or placements with Codegnan Destination. Additionally, we would appreciate any support you can offer in terms of facilitating communication between our team and the students.

If there are any further formalities or procedures that need to be followed, please let us know, and we will ensure prompt compliance.

We look forward to a positive and mutually beneficial association with MITS, and we thank you for your cooperation in making this CSR drive a success.

Thank you once again for your collaboration.

- SOFT SKILLS(Interview preparation, group discussion, resume building etc)
- Weekly assessments

For the selected students, we are pleased to present promising opportunities with an average package ranging from Min 3 to 4 LPA and Max up to 18 LPA upon successful completion of the internship based on skill sets.

Each selected student will be receiving an individual email communication outlining the details of their specific Training and Internship. This email will include information regarding the program structure, onboarding process, and any additional requirements. We kindly request your support in ensuring that the students promptly receive and acknowledge these communications.

We kindly request your assistance in coordinating with the selected students and ensuring a smooth transition as they prepare for their training, internships or placements with Codegnan Destination. Additionally, we would appreciate any support you can offer in terms of facilitating communication between our team and the students.

If there are any further formalities or procedures that need to be followed, please let us know, and we will ensure prompt compliance.

We look forward to a positive and mutually beneficial association with MITS, and we thank you for your cooperation in making this CSR drive a success.

Thank you once again for your collaboration.

Best Regards,

Dear Students,

Congratulations to all the below mentioned final selects of Codegnan Destination. Please go through the email shared by HR team.

Dear Mr. Jayachandra sir,

I hope this email finds you well. I am writing to inform you about the successful completion of the CSR drive conducted by **Codegnan Destination** at **Madanapalle Institute of Technology and Science (MITS)** on the 14th of December. We are pleased to announce that several students have been selected for various opportunities, including CSR (training, internship & placements) and few others got selected for internship & placements.

The selection process was rigorous, and after careful consideration, we are excited to extend our offers to the following students:

	CSR		INTERNSHIP & PLACEMENTS

- 10 Real time projects along with the GITHUB TOOL.
- APTITUDE (all the topics will be covered to crack the interview)
- SOFT SKILLS(Interview preparation, group discussion, resume building etc)
- Weekly assessments

For the selected students, we are pleased to present promising opportunities with an average package ranging from Min 3 to 4 LPA and Max up to 18 LPA upon successful completion of the internship based on skill sets.

Each selected student will be receiving an individual email communication outlining the details of their specific Training and Internship. This email will include information regarding the program structure, onboarding process, and any additional requirements. We kindly request your support in ensuring that the students promptly receive and acknowledge these communications.

We kindly request your assistance in coordinating with the selected students and ensuring a smooth transition as they prepare for their training, internships or placements with Codegnan Destination. Additionally, we would appreciate any support you can offer in terms of facilitating communication between our team and the students.

If there are any further formalities or procedures that need to be followed, please let us know, and we will ensure prompt compliance.

We look forward to a positive and mutually beneficial association with MITS, and we thank you for your cooperation in making this CSR drive a success.

Thank you once again for your collaboration.
