Introduction

The Department of Master of Computer Applications (MCA), Madanapalle Institute of Technology & Science (MITS) Deemed to be University, successfully organized an **Alumni Meet** under the aegis of **MITS Alumni Relations**. The event was conducted in a pleasant and engaging manner, fostering strong interaction between alumni and current students.

Objective of the Event

- To Strengthen the bond between the institution and its alumni.
- To Provide career guidance to current students, and create a platform for sharing professional experiences.
- To meet Industry expectations, and emerging career opportunities.

Proceedings of the Event

Addressing the gathering, **Dr. G. Nagaswetha, Alumni Relations Officer**, expressed her pleasure in welcoming the alumni, faculty members, and students to the Alumni Meet – 2026. She emphasized that alumni are valuable ambassadors of the institution and play a crucial role in its academic and professional growth. She highlighted that alumni connections significantly contribute to shaping students' careers by sharing real-time industry experiences, career guidance, and professional insights.

Addressing the gathering, **Dr. P. M. Balaji, Assistant Director – Industry Relations**, emphasized the importance of strong collaboration between academia, industry, and alumni for enhancing student employability. He highlighted that industry relations play a vital role in bridging the gap between theoretical knowledge and practical applications.

Addressing the gathering, **Dr. P. Ramanathan, Principal, MITS**, emphasized that alumni connections play a vital role in the overall development of the institution. He highlighted that alumni experiences significantly contribute to guiding students toward informed career choices.

Addressing the gathering, **Dr. N. Naveen Kumar, Head of the Department**, welcomed the alumni, dignitaries, faculty members, and students to the Alumni Meet – 2026. He emphasized the significant role of alumni in strengthening the academic ecosystem and contributing to the continuous improvement of the department.

Alumni speakers **Mr. Sameer** and **Mr. Subrahmanyam** shared their professional journeys and assured continuous support to students through the alumni network. They expressed their willingness to assist students with **internships, projects, job opportunities, and interview preparation**, along with guidance in developing both technical and soft skills required to meet current industry demands.

Participation

A large number of alumni from various batches ranging from **2007 to 2024** actively participated in the meet. They shared their educational experiences, professional growth stories, and cherished memories of their time at MITS, making the event both informative and nostalgic.

Outcome

The alumni meet served as a valuable platform for knowledge exchange and networking. It reinforced the importance of alumni engagement in shaping students' careers and enhancing institutional growth. The interaction motivated students to focus on skill development and career preparedness aligned with industry needs.

Conclusion

The Alumni Meet – 2026 was a grand success, marked by enthusiastic participation and meaningful discussions. The event strengthened alumni–institution relationships and reaffirmed the commitment of MITS alumni to support the academic and professional development of current students.

Alumni Meet held at MITS deemed to be University in pleasant manner

Madanapalle, January 25(Skyline daily): The Master of Computer Applications (MCA) department at MITS (Madanapalle Institute of Technology and Science) Deemed to be University, located near Madanapalle, organized an Alumni Meet under the auspices of the MITS Alumni Relations. Speaking at the event, Principal Dr. P. Ramanathan stated that the connection with alumni is crucial for the institution's development. He said that by sharing their higher education experiences, career journeys, and the opportunities and challenges in the industry, the alumni can help current students make the right career choices, develop necessary skills, and prepare for interviews. Alumni Sameer and Subrahmanyam, speaking at the event, said that through the alumni network, they would provide assistance to students regarding internships, projects, job opportunities, and guidance on developing the technical and soft skills required to meet current market demands. A large number of alumni from various batches from 2007 to 2024 attended the event and shared their educational experiences and cherished memories from their professional journeys. Assistant Director of Industry Relations Dr. PM Balaji, Head of Department Dr. N. Naveen Kumar, Alumni Relations Officer Dr. G. Nagaswetha, Alumni Coordinator Suresh, and others participated in the program.
