Report Received on 05.07.2024

Objective:

The program focused on creating and cultivating entrepreneur culture among the student community. It mainly focused on creating awareness on the legal aspects of Startups and to motivate the students to start their journey towards entrepreneurship.

Program Details:

The Department of MCA joined hands with the Institution Innovation council, MITs and have organized a one-day Workshop on “The Legal Structures and Ethical Steps in Establishing Startups” in the Seminar Hall B, South Block from 11:00am to 1:00 pm on 3/7/2024. Around 120 students of MCA along with 5 faculty members participated in the event.

The inauguration function with the all the dignitaries on the dais started with the welcome address by Dr. N. Naveen Kumar, Associate Professor & Head, Department of MCA followed by an introductory talk by Dr. K. Arul Kumar, IIC Convener, MITs who emphasized on the importance of startups. Later the guest Smt. Chitra delivered her speech on her journey from housewife to entrepreneur. It motivated and created a positive impact among students. After the inauguration Dr. K. Arul Kumar started the interactive session with the explanation about startups, the registration process and the ways of getting the trademark registration for startups. He enlightened the students with the startup success stories, do’s and don’ts and explained the current domain opportunities for startup. The session ended up with the feedback and question answer session followed by vote of thanks by Dr. Poonguzhali. S, Asst. Prof, MCA, MITs.

A Glimpse of the Event:

Inauguration function:
