A Report on "Orientation-cum-Induction Program 2025"
Organised by PG Programs - Department of MCA, MBA & M.Tech
from 03.09.2025 to 12.09.2025

Report Submitted by: Saravanan Thirunavukkarasu, Assistant Professor, Department of Computer Applications.
Resource Person Details: Dr. Siva Mahesh Tangutooru, Co-founder & Director, International Startup Foundation (ISF), Bengaluru.
Mode of Conduct: Offline
Report Received on 18.09.2025.

1. Introduction
The Department of MCA, MITS–Deemed to be University, in association with the Department of MBA, organized the Orientation-cum-Induction Program 2025 for the I-Year PG students of the academic year 2025–26, held from 3rd September 2025 to 12th September 2025.
The primary objective of the program was to welcome the newly admitted students into the MITS family, acquaint them with the academic structure and institutional culture, and motivate them to aim for academic excellence, professional competence, and holistic development. The ten-day program integrated academic orientation, motivational talks, career awareness sessions, alumni interactions, cultural events, and industry expert lectures.

2. Objectives of the Program
- To familiarize students and parents with MITS vision, mission, and facilities.
- To introduce academic regulations, curriculum structure (R25), and examination patterns.
- To provide career awareness through industry experts, alumni, and placement officers.
- To instill motivation, confidence, and teamwork among students.
- To encourage innovation, entrepreneurship, and research mindset.
- To promote social, cultural, and extracurricular engagement.

3. Inaugural Session (3rd September 2025)
The Orientation Program commenced at 10:00 AM on 3rd September 2025 in the presence of dignitaries, faculty members, students, and parents. The inaugural event was graced with inspiring messages that set the tone for the induction.

Welcome Address:

Dr. D. Pradeep Kumar, **Registrar of MITS**, warmly welcomed the gathering and expressed his delight in addressing the very first batch of Postgraduate students admitted under the MITS–Deemed to be University status. He congratulated the students and their parents for choosing MITS as the platform to pursue higher education. In his speech, Dr. Pradeep Kumar highlighted the institution's commitment to academic rigor, industry collaboration, and holistic student development. He urged the freshers to maintain discipline, actively participate in academic and extracurricular activities, and utilize the vast resources of the university to achieve their goals. He concluded by wishing the students a fruitful and successful stay at MITS, assuring them of continuous support from the administration and faculty.

Presidential Address:

Dr. C. Yuvaraj, Vice Chancellor of **MITS**, presided over the session and delivered an inspiring address, urging the students to make the best use of the academic, research, and innovation facilities available at MITS. He emphasized the importance of discipline, dedication, and a problem-solving attitude, motivating students to aspire for excellence not only in academics but also in extracurricular and professional spheres. He reassured parents that their wards would receive holistic support to become competent professionals.

Dr. Yuvaraj further acknowledged that such excellence has been possible only under the visionary leadership of the **Founder & Chancellor** of **MITS**, **Dr. N. Vijaya Bhaskar Choudary**, whose commitment to quality education, research, and innovation has elevated the institution to its present stature. He proudly reminded the gathering that it was this relentless vision and dedication that enabled MITS to attain the prestigious Deemed-to-be University status, a milestone now being witnessed by the very first batch of postgraduate students.

Pro-Chancellor's Address:

Sri. N. Dwarakanath, Pro-Chancellor of MITS-Deemed to be University, extended a warm welcome to the gathering and proudly greeted the very first batch of students admitted under the Deemed-to-be University status. He expressed his happiness in witnessing a new milestone for MITS and encouraged students to utilize this historic opportunity to shape their future with innovation, ethics, and leadership qualities.

Chief Guest Address: Dr. Siva Mahesh Tangutooru, Co-founder & Director, International Startup Foundation (ISF), Bengaluru, inspired students to focus on innovation, entrepreneurship, and teamwork as drivers of success. Drawing from his entrepreneurial journey, he encouraged students to think creatively, collaborate effectively, and develop problem-solving skills relevant to global challenges.

Departmental Welcomes: The HoDs of MCA, MBA, M.Tech (CSE), and M.Tech (VLSI) formally welcomed their respective department students. They introduced the academic framework, highlighted the state-of-the-art laboratories, research centers, and learning resources available in their departments, and reassured students of continuous mentorship and guidance throughout their journey at MITS.

3rd September 2025 (Afternoon Session):

In the afternoon session, Dr. N. Naveen Kumar, Head of the MCA Department, introduced the MCA faculty members to the freshers. He highlighted the academic roadmap of the program and extended his best wishes for their successful journey ahead.

4. Day-wise Program Highlights – Induction Program for MCA

ORIENTATION PROGRAMME ORGANISED AT MITS

HANS NEWS SERVICE
MADANAPALLE

MADANAPALLE Institute of Technology & Science (MITS) organised an orientation for new MBA, MCA, and M.Tech students on Thursday.

Chief Guest Dr Siva Mahesh Tangutooru, Co-founder of the International Startup Foundation (ISF), Bengaluru, inaugurated the programme along with University Pro-Chancellor N Dwarkanath, Vice Chancellor (In-Charge) Dr C Yuvaraj, Registrar Dr D Pradeep Kumar, Dean International Dr Srimantha Basu, Head of MBA Department Dr Bhanu Sri, and Head of MCA Department Dr Naveen Kumar. Dr Siva Mahesh urged students to focus on innovation, teamwork, and entrepreneurship.

Vice Chancellor Dr Yuvaraj encouraged them to utilise MITS facilities and aim for excellence. The programme marked the beginning of the new academic journey for postgraduate students.

05/09/2025 TIRUPATI Pg 03

Day 1 – 4th September 2025.

Motivational Speech by **Dr. Dinakar Reddy (State Head - ICT Academy, Hyderabad**): Dr. Reddy encouraged students to cultivate a growth mindset and focus on skill-based learning. He emphasized how ICT Academy collaborates with industries to bridge the skill gap and prepare students for digital-era job roles.

Placement Awareness Program by Mr.Drupad (Placement officer, MITS) & **Dr. Anusha Bharath** (T&P Cell, MITS): The team highlighted the importance of early preparation for placements and guided students on resume building, interview readiness, and certifications valued by recruiters.

MITS Radio Awareness by **Mr. Narasimhacharlu (Program Manager):** He explained how MITS Radio Station serves as a platform for student expression, leadership, and creativity, enabling students to practice communication and broadcasting skills.

Campus Tour: The students were introduced to state-of-the-art laboratories, digital library, incubation centers, sports complex, and other facilities, instilling pride in being part of MITS.

Day 2 – 6th September 2025.

From Passion to Profit by **Dr. Mahesh Pavan Sathavalli (Kyndryl, IBM**): Dr. Sathavalli shared how innovative ideas can be scaled into profitable ventures with discipline and persistence. He cited examples from IBM's innovation programs and advised students to adopt an entrepreneurial mindset.

Dean T&P Address by **Mr. Venu Choudary**: Mr. Choudary inspired students to explore the multitude of facilities at MITS, from industry collaborations to skill development programs, to shape themselves into industry-ready professionals.

Identity Access Management by **Mr. Sambantha Moorthy (ITISH Solutions, Chennai**): Mr. Moorthy explained the critical role of IAM in enterprise IT security, discussing authentication, authorization, and modern cybersecurity challenges faced in global companies.

Day 3 – 8th September 2025

Soft Skills Training by **Mr. V. Anand Kumar (T&P, MITS**): He underscored the importance of communication, teamwork, and problem-solving, stating that soft skills often become differentiators in placement success.

Corporate Session by Ms. Ritu Sharma (Brillio Technologies, **Bangalore)**: Drawing from her HR leadership role, Ms. Sharma spoke about global recruitment practices, cultural intelligence, and adaptability in corporate careers.

Industry Collaboration Briefing by **Dr. Swapneel S. Jaiswal (IIIC Coordinator, MITS)**: He outlined the active MoUs, internship opportunities, and projects available through MITS's Industry-Institute partnerships, encouraging students to take advantage of them.

Sports Orientation by **Dr. C. Dhamodaran (Physical Director, MITS**): Dr. Dhamodaran showcased the infrastructure for indoor and outdoor sports, stressing on the balance between academics and physical well-being for holistic growth.

Day 4 – 9th September 2025

Entrepreneurship Talk by **Mr. Monsoor Ali (CEO, Codeon Technologies, Tirupati**): Mr. Ali inspired students with his journey of building a successful startup. He emphasized resilience, networking, and innovation as the cornerstones of entrepreneurship, motivating students to take calculated risks.

Day 5 – 10th September 2025

Technology & Career Guidance by **Mr. Imran Khan (CEO, Nafter Web Technologies**, **Vellore, Tamilnadu**): Mr. Khan urged students to align academic learning with current technology trends such as AI, cloud, and blockchain. He guided them to choose the right domain early to secure high-impact roles.

Techno-Cultural Event by II-Year MCA Students: A creative session titled "**Avoiding Bugs from Semester One**" combined technical learning with fun, helping juniors understand best coding practices while also enjoying a team-building activity.

Day 6 – 11th September 2025

Alumni Talk (Mr. Bavagi, Ms. Umapriya, and Ms. Ramthu): The alumni shared their career experiences in software development, project management, and IT services, assuring juniors of the strong placement support at MITS and motivating them to stay consistent in learning.

Indoor Games: Designed to relieve stress and foster bonding, these activities encouraged teamwork, collaboration, and a friendly spirit among the freshers.

Day 7 – 12th September 2025

Cyber Security Session by **Dr. S. Dhanaraj**, **Founder & Director, SecForgTek Solutions, Coimbatore, Tamilnadu**: Dr. Dhanaraj provided deep insights into cybersecurity threats, ethical hacking, and preventive frameworks, also highlighting the demand for skilled professionals in this critical domain. He explained various types of cybersecurity threats and introduced ethical hacking as a vital tool for defense. The session also covered preventive frameworks and best practices to safeguard digital assets. Dr. Dhanaraj emphasized the urgent need for skilled professionals in this rapidly evolving domain. Students left with a deeper understanding of cybersecurity challenges and potential career paths in the field.

Dr. Jagadeesh Babu Bellam, Coordinator of the **UHV Cell at MITS**, conducted a session for students focused on Universal Human Values. He emphasized the importance of living with harmony, relationship, and co-existence. The session highlighted the role of values and ethics in personal growth and societal well-being. Students were encouraged to explore their inner potential through right understanding. The interactive session was well-received and inspired thoughtful reflection among participants.

Valedictory Session:
Presided by **Principal, Dr. P. Ramanathan**, the session marked the successful conclusion of the program. In his address, he motivated students to strive for academic and professional excellence. Prizes and medals were distributed to first-year students for their active participation, followed by a formal vote of thanks.

5. Faculty Awareness Talks

Dr. C. Sivaraj (Associate Professor / MCA) – R25 Curriculum Structure & Regulations:
Dr. Sivaraj gave an in-depth explanation of the R25 academic regulations, highlighting the curriculum framework, credit system, evaluation methods, and continuous internal assessment pattern. He guided students on how to plan their coursework systematically to balance academics, projects, and co-curricular activities. His talk provided clarity to students and parents regarding academic expectations at MITS.

Mr. Saravanan T (Assistant Professor / MCA) – Placement Statistics and Roadmap to Drives:
Mr. Saravanan presented an overview of the placement performance of MCA graduates at MITS over the past few years, citing successful placements in reputed IT and consulting firms. He outlined the placement roadmap, starting from skill development sessions, mock interviews, and technical tests to final campus drives. He motivated students to begin preparing early and assured them of consistent support from the Training & Placement Cell.

Mrs. S.Suganya (Assistant Professor / MCA) – Awareness on ISTE and PARAK Student Chapters:
Mrs. Suganya introduced the students to ISTE (Indian Society for Technical Education) and PARAK, the professional student chapters active at MITS. She explained the benefits of participating in these bodies, including opportunities for networking, attending workshops, presenting papers, and organizing technical events.

Dr. K. Radhika (Assistant Professor / MCA) – About IIC:
Dr. Radhika led an introductory session on the Institution's Innovation Council (IIC) for first-year students. She explained its purpose, activities, and how students can get involved. The session sparked interest and encouraged participation in innovation initiatives.

6. Outcomes of the Program

- Students gained awareness about MCA curriculum and institutional values.
- Industry and alumni interactions motivated students to plan career paths early.
- Improved soft skills, teamwork, and entrepreneurial orientation.
- Exposure to placement strategies, internships, and industry collaborations.
- Enthusiastic student participation in technical and cultural events reflected a smooth integration into MITS.

7. Conclusion

The Orientation-cum-Induction Program 2025 was a resounding success, offering a holistic blend of academic orientation, career awareness, motivational talks, alumni interaction, technical training, and cultural activities. The Department of MCA expresses gratitude to the Management, Vice-Chancellor, Registrar, Principal, Resource persons, Alumni, Faculty members, and student volunteers for their wholehearted support in making the event impactful.
