The Department of Computer Applications (MCA) has organized Parent's Meeting for I MCA (2024 Admitted) completed on 30.12.2024 (Monday) at our college premises.

Objective:

The aim of this meeting is to build a positive and bonding relationship between parents, faculty, and students' ultimately contributing to the overall improvement of the department in various aspects. Parent-teacher meetings at the college level plays a vital role in fostering communication and collaboration between parents and teachers. The meeting provides a valuable platform to discuss about student's academic progress, behaviour, attendance and other concerns that may arise during their studies.

Dignitaries present:

Dr. R. Kalpana, Vice Principal – PG Programs; Dr. N. Naveen Kumar, Associate Prof & Head, Department of Computer Applications, MITS.

Program details:

The program planned and organised with an informative inauguration ceremony. Here is a breakdown of the key elements mentioned:

Welcome Dance:

A traditional dance was performed by Ms.T.Pavani of II MCA who welcomed the parents in a classical manner.

The program followed with the illumination of a light lamp, symbolizing the beginning of an important event.

Welcome Address:

Mr. Saravanan Thirunavukkarasu welcomed the parents, setting a positive tone for the program. He extended his address with heartfelt thanks to all the parents who attended the meeting from all the districts of the state.

Introduction of the Event's Significance:

Speaker: Dr. R.Kalpna, Vice Principal – PG Programs, MITS.

Dr. R.Kalpna highlighted the importance of the event and its potential benefits. This includes emphasizing the role of parental involvement in a student's education and the significance of collaboration between the department and parents. She further expressed the facilities and infrastructure available at MITS campus which should be utilised in a successful manner, especially for the betterment of girl students. She concluded by requesting the parents' community to care about their wards during the evening hours, their safety and focus towards studies for shaping the future in a better way.

Special Address by Alumni:

Mr. Samiullasha. S, alumni of MCA (2007-2010 batch) working as Sr. AVP, Wells Fargo, Bengaluru, joined the occasion and shared his memories about the college. He wondered about the development of the college over the decade. He happily conveyed the parents about the faculty members, enriched curriculum and the placement activities.

Presentation by Head of the Department:

Speaker: Dr. N.Naveen Kumar, Associate Prof & HOD, Department of MCA.

The presentation included the key components of various achievements of the department.

He gave an overview of the notable achievements and strengths of the department and clarified the department's long-term goals and how these goals align with the educational objectives of the post-graduate program.

In addition, he conveyed the importance of conducting training programs and the impact of attendance, which will pave the way to being placed in reputed companies. He also made the presentation on students' attendance, events organised, mid-results, IEEE student chapter inauguration, societal activities and other events organised for the students.

The program ended with a photo session along with all the parents, students and faculty members.

Faculty members addressed the parents individually, discussed about their progress and collected feedback form for the assessment.

Outcome:

- Based on the information provided, the outcome of the inauguration ceremony for the department appears positive and well organized. The key elements mentioned suggest a thoughtful and comprehensive approach in engaging parents and providing them with valuable information.

- This meeting would have given parents a clear picture of their child's academic progress and the department's performance, and helped parents understand the importance of their involvement in their child's education and collaboration with the department.
- Overall, the outcome of the meeting seems to be a well-received and informative event, fostering a positive connection between parents and the department.
