Report Received on 19.12.2025.

The Department of Computer Applications (MCA) has organized Parent's Meeting for I MCA (2025 Admitted) completed on 12.12.2025 (Friday) at our college premises.

Objective:

The aim of this meeting is to build a positive and bonding relationship between parents, faculty, and students ultimately contributing to the overall improvement of the department in various aspects. Parent-teacher meetings at the college level play a vital role in fostering communication and collaboration between parents and teachers. The meeting provides a valuable platform to discuss about student's academic progress, behaviour, attendance and other concerns that may arise during their studies.

Dignitaries present:

- Shri. N. Dwarakanath – Pro Chancellor, MITS Deemed to be University
- Dr. D. Pradeep Kumar – Registrar, MITS Deemed to be University
- Dr. N. Naveen Kumar, Prof & Head, Department of Computer Applications, MITS Deemed to be University.
- Dr. J. Jude Moses Anto Devakanth, Assistant Professor, MCA, MITS Deemed to be University.
- Mr. P. Seshu Kumar, Assistant Professor, MCA, MITS Deemed to be University.

Program details:

The program planned and organised with an informative inauguration ceremony. Here is a breakdown of the key elements mentioned:

Welcome Dance:

A traditional dance was performed by Ms. P. Divya of II MCA (R24) and Lavanya of I MCA (R25) who welcomed the parents in a classical manner.

The program followed with the illumination of a light lamp, symbolizing the beginning of an important event.

Welcome Address: Dr. J. Jude Moses Anto Devakanth warmly welcomed the parents and set a positive tone for the program. In his address, he expressed his heartfelt gratitude to all the parents who attended the meeting, acknowledging their valuable presence from various districts across the state and appreciating their continued support and involvement in their children's education. He emphasized the importance of strong parent–institution collaboration in nurturing students' academic excellence and character development. He also encouraged parents to actively engage with faculty members to ensure the holistic growth and well-being of their wards.

Introduction of the Event's Significance:

Speaker: Shri. N. Dwarakanath – Pro Chancellor, MITS Deemed to be University.

The Pro-Chancellor addressed the gathering and warmly welcomed all parents, teachers, and students to the Parent–Teacher Conclave Meet. In the address, the Pro-Chancellor emphasized the vital role played by parents and teachers as partners in the educational journey of students. It was highlighted that effective collaboration between home and institution is essential for nurturing responsible, confident, and competent individuals. The Pro-Chancellor spoke about the institution's commitment to academic excellence, value-based education, and holistic development. Emphasis was laid on creating a learner-centric environment that supports not only intellectual growth but also ethical values, emotional well-being, and social responsibility. The address also stressed the importance of adapting to modern teaching–learning methodologies, digital literacy, and skill development to meet current and future challenges.

Special Address by Registrar:

Speaker: Dr. D. Pradeep Kumar – Registrar, MITS Deemed to be University

The Registrar addressed the gathering and extended a warm welcome to all parents, teachers, and students present at the Parent–Teacher Conclave Meet. In the address, the Registrar highlighted the importance of transparent communication and mutual cooperation between parents and the institution to ensure students' academic progress and overall development. The Registrar briefed the parents on the institution's academic regulations, examination processes, attendance requirements, and evaluation systems. Emphasis was placed on the need for discipline, regular attendance, and adherence to institutional policies to maintain academic standards. The Registrar also informed the gathering about various student support services, grievance redressal mechanisms, and administrative procedures designed to facilitate a smooth academic experience. Furthermore, the Registrar encouraged parents to actively engage with the institution and promptly communicate any concerns related to academics or administration. Appreciation was expressed to the teaching faculty and administrative staff for their continuous efforts in supporting students. The address concluded by reiterating the institution's commitment to quality education and efficient administration, and by seeking continued cooperation from parents for the holistic growth of students.

Presentation by Head of the Department:

Speaker: Dr. N. Naveen Kumar, Prof & HOD, Department of MCA.

The presentation included the key components of various achievements of the department. He gave an overview of the notable achievements and strengths of the department and clarified the department's long-term goals and how these goals align with the educational objectives of the post-graduate program.

In addition, he conveyed the importance of conducting training programs and the impact of attendance, which will pave the way to being placed in reputed companies. He also made the presentation on students' attendance, events organised, mid- results, IEEE student chapter inauguration, societal activities and other events organised for the students.

The program ended with a photo session along with all the parents, students and faculty members.

Faculty members addressed the parents individually, discussed about their progress and collected feedback form for the assessment.

Outcome:

Based on the information provided, the outcome of the inauguration ceremony for the department appears positive and well organized. The key elements mentioned suggest a thoughtful and comprehensive approach in engaging parents and providing them with valuable information.

The Parent–Teacher Conclave Meet resulted in strengthened communication and mutual understanding between parents and the institution. Parents gained clear insights into their wards' academic performance, attendance, behaviour, and overall development, while teachers received valuable feedback and support from parents. The meet helped identify students who require additional academic guidance, mentoring, or counselling, enabling timely interventions. Overall, the conclave fostered a collaborative approach toward students' holistic development and reinforced the shared responsibility of parents and educators in achieving academic excellence and personal growth.
