### **Mentor-Mentee Interaction Session Report**

Date: 13-12-2023

#### **Introduction:**

The Mentor-Mentee Interaction Session, organized on 12-12-23 at 10.30 a.m. in Auditorium for MCA I Year I semester 2023 Admitted Batch, served as a crucial component of our MCA college's mentorship program. The session was arranged following the directives from the Head of the Department to enhance the mentor-mentee relationship and gather valuable insights from both parties.

#### **Event Highlights:**

##### **Welcome and Introduction:**

The session commenced with a warm welcome and an introduction to the mentorship program's objectives and expectations.

##### **Overview of Mentor-Mentee Program:**

A comprehensive overview of the mentorship program was presented, emphasizing the importance of effective communication and mutual support.

##### **Distribution of Interaction Forms:**

Each mentee received an interaction form designed to capture their expectations, concerns, and goals.

##### **Mentor-Guided Form Filling:**

Faculty members actively participated in guiding their respective mentees through the form-filling process. This hands-on approach ensured mentees felt supported and understood.

##### **Open Forum for Questions and Discussion:**

An open forum allowed mentees to pose questions and facilitated discussions with their respective mentors on expectations, potential challenges, and strategies for a supportive learning process.

The session concluded with a networking opportunity, providing mentors and mentees a chance to connect on a more personal level, fostering a sense of community.

## Faculty Responsibilities:

Faculty members played a pivotal role in guiding mentees through the form-filling process, ensuring accurate and comprehensive information was provided.

A commitment to maintaining records of the interaction forms for their assigned mentees was reiterated, emphasizing the importance of this information for ongoing mentorship activities.
