Student Co-ordinator A. Vyshnavi	Faculty Co-ordinator Dr.Priyam Nath Bhowmik Assistant Professor, Civil Engineering Department.	Chief Co-ordinator Dr.Dipankar Roy Head of Civil Engineering Department

Submitted by : Dr. Priyam Nath Bhowmik, Assistant Professor Department of Civil Engineering, Madanapalle Institute of Technology & Science, Madanapalle.

Organized in association with:

ASCE (American Society of Civil Engineers) Indian section (Southern Region).

Dignitaries present:

- Dr. Teja Munaga, Director of Engineering V Geotech Expert Pvt. Ltd., Aurangabad, Maharashtra (in virtual mode).
- Dr. Dipankar Roy, Head of Department, Department of Civil Engineering & faculty advisor of ASCE, Madanapalle Institute of Technology & Science, Madanapalle.
- Dr. Priyam Nath Bhowmik, Assistant Professor and Faculty Co-Ordinator of Builders Club, Madanapalle Institute of Technology & Science, Madanapalle.

Objective of the Event:

The Guest Lecture was about “Bridging the gap between theoretical and practical applications in Civil Engineering.”

Program details:

The Department of Civil Engineering, MITS has organized a guest lecture on “Bridging the gap between the theoretical and practical application in Civil Engineering” in Seminar Hall - A. The event was hosted by A. Vyshnavi from 3rd year Civil Engineering. The gathering was addressed by Dr. Priyam Nath Bhowmik, the faculty coordinator of the event. The guest “Dr. Teja Munaga” delivered a lecture and shared his tremendous knowledge with students about the topic for the day. The event was graced with the presence of the Head of Department, Civil Engineering and faculty advisor of ASCE Dr. Dipankar Roy and all the faculty of the Civil Engineering Department. The students have asked their queries and got their doubts cleared.

Target audience:

The undergraduate students of Civil Engineering Department.
