A One Day National Level Technical Symposium CITA 2K24 was organized by the Department of Civil Engineering on 3rd May 2024. The objective of this symposium was to provide a platform where students can interact and exchange their ideas, discuss the latest technologies and implement innovative ideas in the field of Civil Engineering. On the other side it can enhance the management skills and organizational skills of the students involved in organizing the symposium.

Symposium Inauguration

During the inaugural function, Dr. Lipsa Mishra, Assistant Professor and convener of this symposium, welcomed all the participants to the Symposium CITA 2K24 and expressed her gratitude to the Management and Principal for giving permission and financial support to organize the symposium.

Dr. Dipankar Roy, Professor and HOD of Civil Engineering advised all the participants to utilize the opportunity to exhibit their talent and improve their confidence and competitive spirit. He narrated the facilities, faculty, research scope and talents of our students. He welcomed participation of students from various colleges. He thanked all faculty members and students for their efforts and hard work even during holidays to make the symposium a grand success.

Dr. C. Kamal Basha, Vice Principal Administration MITS, in his address highlighted the latest new innovative technologies for sustainable infrastructures and conveyed his best wishes to all the participants.

Shri. C. R. Rajagopal, Superintending Engineer, Water Resource Department, Madanapalle, the Chief Guest of the Symposium, in his address emphasized the importance of technical skills, organizational skills and communications skills to execute the projects successfully in the field of Civil Engineering. Further, he advised the participants and students to update their knowledge and to cope up with the current and latest trends in Civil Engineering. He advised that some students can try to become a scientist and some can work for code revision related research.

Registered Participants:

CITA – 2K24 featured a range of technical events aimed at fostering innovation and research excellence. The symposium attracted a 168 number of participants, showcasing the widespread interest and enthusiasm for CITA – 2K24. Participants registered for different technical events are shown in Table no 1: The participants from more than ten engineering colleges, such as Aditya College of Engineering, Madanapalle, KSRM, Kadapa, SRIT, Ananatapuram, Kuppam Engineering College, Kuppam, Mother Theresa Institute of Science & Technology, Palamner, MERITS, Nellore participated in the following events and demonstrated their talent.

Events	MITS Participants	Other Participants	Total Participants
Paper & Poster Presentation	4	6	10
Trace Out	2	8	10

Auto Cad	5	15	20
Decoding	15	0	15
Fastest Finger	5	20	25
Sketch Up	0	3	3
Quiz	10	0	10
Techno Treasure	50	0	50
Wrong Turn	15	0	15
Catch the word	10	0	10
		Total	168

Students from various colleges around madanpalle participated in various events as listed in the table above. The students showcased their talent and actively participated all the events in CITA 2024 and made it a grans success. A total of 168 Nos of participants were present for the CITA 2024.

Valedictory Function

The valedictory function of CITA2K24 was organized after the completion of all the events. Dr. Sudheer Kumar Yantrapalli, (one of the Conveners) Sr. Assistant Professor, appreciated the participants and students for their support and active participation in various events. Prizes were distributed to the winners of various events by Dr. P. Sivaiah Dean R&D, Dr. Dipankar Roy Head

of Civil Engineering Department, and other faculty members. Many participants appreciated the queries asked by the judges in the paper presentation contest and they got inspired and motivated to learn the subject to have in depth knowledge with those queries. Some participants appreciated the judgment given by the jury members of the symposium and hospitality given by the organizers. Finally, the Symposium ended with a concluding address and a vote of thanks by Dr. Priyam Nath Bhowmik, Assistant Professor.
