

A Report on
Industrial Visit to Penukonda Fort
on
10th August 2024

SUBMITTED BY: Dr. Nakkeeran G, Assistant Professor, Department of Civil Engineering, Madanapalle Institute of Technology & Science

ORGANISED IN ASSOCIATION WITH: ASCE STUDENT CHAPTER

INTRODUCTION:

Penukonda also called Penugonda is a town in the Sri Sathya Sai district of Andhra Pradesh, India. It is 70 km away from Anantapur town. Penukonda was once served as the 2nd capital of Vijayanagar Kingdom after the fall of Hampy and was earlier called as Ghanagiri or Ghanadri. According to the inscriptions, the Penukonda state was gifted by the King Bukka-I to his son Virupanna. This fort was built at the time of Virupanna.

This fort was one of the best defenses of the Vijaynagara kingdom. With the, decline of Vijaynagara kingdom, the Sultan of Golconda captured this fort. Later Mysore Kingdom

briefly captured this fort until the British overtook after Tipu Sultan's fall. Nearest Airport is Bangalore City. Penukonda is the nearest Railway Station, local transportation like autoes are available to the fort from the rail station. Major cities like Hindupur, Bangalore & Anantapur well connect Penukonda. One can visit the fort throughout the year. The visit has planned with the core Objective of understanding the concept Of space planning and the applied Principle under the specific purposes Of development.

OBJECTIVE OF THE VISIT:

The objective of visiting Penukonda Fort is to explore and document its historical significance, architectural features, and cultural impact. You'll examine the origins and role of the fort in regional history, focusing on the dynasties that ruled it. Additionally, the visit will allow you to assess the fort's current condition, including preservation efforts and accessibility for tourists. Gathering local narratives and legends will add depth, providing a holistic understanding of the fort's importance in history and culture and its role in contemporary tourism.

OVERALL PROGRAM:

The group left MITS college at 5 AM and reached the destination at 10:00 AM. Dr. Nakkeeran G, Sr. assistant Professor, has discussed the Building Architecture & its various Philosophy for ancient structures. Dr. Nakeeran G has discussed the structure's civil and architectural Concepts. Regarding this Objective, the department of Civil Engineering, MITS, Madanapalle, organized an Industrial Visit for the 2nd and 3rd year students to the Ancient Structures of Penukonda fort Under ASCE Student Chapter.

Total 110 Students from 2nd and 3rd year Civil engineering from MITS, Madanapalle, two faculty members, and final year students. The visit Was more interactive with effective Learning and the students were made to understand the theoretical concepts Involved in a design and architecture of building structures of the Penukonda Fort. The Industrial visit finished at 6:00 PM and Students returned back to MITS Collage at 9:00PM on same day.
