Report Received on 22.10.2024

Objective:

ASCE MITs Student Chapter in association with Department of Civil Engineering and Industry Institute Interaction Cell (IIIC) has organised a Professional Talk on "Role of Civil Engineer at the Construction Site" on 10th October 2024 with the aim of developing the better understanding on the expected responsibilities of a civil engineer in the professional environment and what are their expected deliverables.

Program Details:

The Department of Civil Engineering at MITs, in association with the ASCE MITs Student Chapter and IIIC, organized a Professional Talk on "The Role of a Civil Engineer at the Construction Site" on 10th October 2024, from 14:00 to 17:00. The event began with a warm welcome address by Dr. Swapneel Jaiswal, which set an inspiring tone for the session. This was followed by motivational speeches from the Vice Principal, Dr. Ramnathan, and the Head of the Civil Engineering Department, Dr. Dipankar Roy.

The highlight of the event was the insightful session delivered by the Resource Person of the day, Mr. Peketi Koundinya, Director of M/s Peketi Ventures Pvt. Ltd. He shared his extensive knowledge on the topic and offered invaluable advice to the students on how to excel in the civil engineering field. His guidance emphasized the importance of continuous learning and growth, helping students envision a successful career in the profession.

Outcome of the Event

A total of 50 students from the Department of Civil Engineering attended the event and gained significant insights. The session helped students better understand the roles and responsibilities expected of them upon completion of their course and as they transition into the civil engineering profession. Additionally, students were able to explore the various challenges that civil engineers may encounter in a professional working environment, providing them with valuable preparation for their future careers.

Vote of Thanks:

On behalf of the ASCE MITS Student Chapter and the Industry Institute Interaction Cell (IIIC), I would like to express our deep gratitude to everyone who contributed to the success of the event.

First and foremost, we extend our sincere thanks to our esteemed Resource Person, Mr. Peketi Koundinya, Director of M/s. Peketi Ventures Pvt. Ltd., for sharing his invaluable insights and expertise. Your knowledge has undoubtedly enriched us all, and we are truly grateful for your time and effort.

We are deeply thankful to the respected management of MITS for their constant support. Special thanks to our Principal, Vice Principals, and the unwavering backing of the ASCE MITS Student Chapter. Your encouragement and guidance were instrumental in making this event possible.

Finally, a heartfelt thanks to all the stakeholders of MITS, whose collective efforts and cooperation ensured the smooth and successful execution of this event. Your contributions are truly appreciated.
