**Objectives of the Program:**

The aim behind organizing this program was to give awareness to the people about keeping the environment clean and safe from pollution.

**Program details**

MITS ASCE Student Chapter, Department of Civil Engineering, under ASCE India Section Southern Region have organised the program to celebrate World Environmental Day i.e., on 5th June. It is a day that reminds everyone on the planet to get involved in environment friendly activities. The program started exactly at 9:30 am. All the students of Civil Engineering Department were taken to Madanapalle town near Municipal Office by the college bus. All the students were gathered at the municipal office. The chief guests were also invited there. Madanapalle Municipal Engineers DE Er. Sirisha and Er. Snehapriya Inaugurated the Cleanup-camp along with the faculties of Civil Engineering.

All the necessary precautions such as hand gloves, masks etc were provided by the student co-ordinator. The faculty coordinator, Dr. Priyam Nath Bhowmik gave a speech on what role the environment plays and why it is important for people to take initiatives to save the environment. All the students started cleaning the place and the faculties were guiding the students in this regard. All the students have shown their active participation enthusiastically.

The faculty coordinator also motivated the students to keep on environment clean, free of pollution so that we can live a healthy life. All the waste papers, plastics, e-wastes, mobile covers etc., were collected in the bag and the wet garbage were collected at one place. After collecting the garbage bleaching powder was put on the entire area. After the cleaning, all the students gathered at one place and the dignitaries were present at that place to discuss a few more things regarding this event.
