## 2. Speech by experts and delegated :

The World Water Day function was organised in auditorium in the MITS college from 2:00 PM to 4:00PM on 22<sup>nd</sup> March 2024. The event started with the welcome speech by Dr. Swapneel Jaiswal followed by Dr. Dipankar Roy and Dr. Ramanathan, Dr. Thulasi Ram Naidu. There was great response from students with nearly 95 students participated from Department of Civil Engineering, MITS Madanapalle along with NCC, NSS and other few faculty showed their interest and attended the event. It's an annual event celebrated on 22<sup>nd</sup> March as a way to concentrate attention on the value of freshwater and to encourage the sustainable use of freshwater resources. World Water Day 2024 theme is 'Water for Peace,' we are compelled to reflect on the complex relationship between water, conflict, and cooperation. Water has the power to create peace or spark conflict. The event is more informative and students actively participated in it. Some of the students gave presentation and speeches about the importance of water in the world and how to prevent the scarcity

of water. These people showed eager attention to the event. The students learned lot of things about the water and its importance in the world. The faculty and students pledge on world water day is to consume the most precious treasure water judiciously and not waste even a drop of water. The Session maintained with quality information provided to the students. Few of the students have given their presentation on World Water Day The lecture session was supported by the respected management of MITS, Madanapalle, ASCE Student Chapter and Industry Institute Interaction Cell (IIIC). At 4:00 PM, the session was concluded and followed by vote of thanks given by Dr. Swapneel Jaiswal, Sr. Assistant professor, Department of Civil Engineering.

**Conclusion:** The Event world water day has been successfully completed in collaboration with the cadets of NCC, The Volunteers of NSS, the committee MITS ASCE Student Chapter and IIIC. It has benefitted the students as well as society in to raise awareness about caring of available water resource & protection for the future generation. It has created impact on the various stakeholders of the society & we look forward for the positive change on ground.

We are thankful to MITS Management, the Principal, Vice Principal, HOD, The Co-Ordinators & committee of ASCE MITS Student Chapter, The Co-ordinator cadets MITS National Cadet Corps (NCC), The Co-Ordinator & Volunteers of MITS National Service Scheme (NSS) The Co-ordinator MITS Industry Institute Interaction Cell (IIIC), MITS account Section & other faculty member for active participation & support to make this event a grand successful.
