A Report on MoU Signing Ceremony between MITS- CST & 19M Academy, Secunderabad, Telangana Organized by Department of Computer Science & Technology in association with Industry Relations Cell (IRC) & Alumni Relations Cell on 27.01.2026

Report Submitted by: Mr. V. Naveen, Assistant Professor & IRC Coordinator, Department of CST

Resource Person Details: Mr. S. Malleswar Reddy, CEO & Founder of 19M Academy, Secunderabad, Telangana

Participants: III Year CST Students

Venue: CST Department Classroom

Mode of Conduct: Offline

Report Received on 30.01.2026.

The Department of Computer Science and Technology (CST) successfully organized a Memorandum of Understanding (MOU) Signing Ceremony in collaboration with 19M Academy, Secunderabad, Telangana, on 27 January 2026 at 3:30 PM. The event was conducted at the CST Department premises, aiming to strengthen industry-academia collaboration and enhance skill-based learning opportunities for students. The event was organized under the guidance of Dr. K. Dinesh, Head of the Department (CST), who served as the Convenor for the program. The event coordination responsibilities were efficiently handled by Mr. V. Naveen, Assistant Professor & IRC, CST department coordinator and Mr. D. Suresh, Assistant Professor & Alumni Cell, CST department coordinator who acted as the Faculty Coordinators.

Objective of the Event

The primary objective of the MoU was to establish a formal partnership between the CST Department and 19M Academy to promote:

- Industry-oriented training programs
- Skill development initiatives for students
- Exposure to real-time tools and technologies
- Collaborative activities such as workshops, internships and expert sessions.

This collaboration aligns with the department's vision of bridging the gap between academic learning and industry requirements.

Inauguration and Welcome Address

The ceremony was formally inaugurated in the presence of faculty members and students of the CST Department. Dr. K. Dinesh, HOD/CST, addressed the gathering by emphasizing the importance of strategic industry partnerships in improving student employability and practical exposure. He fondly recalled Mr. S. Malleswar Reddy as his former student from Department of CSE(Cybersecurity), MITS and now a distinguished alumnus. He mentioned that he has been in periodic communication with Mr. Reddy, staying informed about his professional journey and career milestones. He also highlighted Mr. Reddy's strong enthusiasm and commitment to giving back to the institution, particularly through his eagerness to support and guide his juniors.

Address by Dr. Gutti Naga Swetha, Alumni Relations Officer, Alumni Relations Cell

Dr. Gutti Naga Swetha, Alumni Relations Officer, Alumni Relations Cell, emphasized that alumni are valuable assets of MITS and play a vital role in contributing back to their alma mater. She highlighted that active alumni engagement strengthens long-term relationships between graduates and the institution and creates meaningful opportunities for current students. She further noted that initiating more such collaborations enables easier access to academic, professional, and career-oriented opportunities. She appreciated the CST Department for taking the initiative to sign MOUs with alumni and described the occasion as a proud and commendable moment for the institution.

Resource Person

The event was graced by **Mr. S. Malleswar Reddy, CEO & Founder of 19M Academy**, who participated as the **Alumni Resource Person**. He shared valuable insights on:

- Current industry trends.
- Required skill sets for computer science graduates.
- The role of professional training in career growth.

His interaction motivated students to focus on continuous learning and industry readiness.

MoU Signing

The Memorandum of Understanding was formally signed by the representatives of both institutions, marking the beginning of a collaborative academic–industry relationship. The MOU outlines mutual cooperation in areas such as:

- Student training and certification programs.
- Internship and placement-oriented activities.
- Faculty interaction with industry experts.
- Joint participation in academic and professional events.

The signed MOU reflects a shared commitment to long-term collaboration and student-centric development initiatives.

Program Outcomes

The MOU signing ceremony resulted in:

- Establishment of a formal industry partnership.
- Enhanced opportunities for skill-based training.
- Strengthened alumni–institution engagement.
- Increased exposure of students to industry expectations.

The collaboration is expected to significantly contribute to students' academic enrichment and career readiness.

The event concluded by **Mr. V. Naveen, AP/CST, IRC CST Department Coordinator** by thanking the resource person **Mr. S. Malleswar Reddy, CEO & Founder of 19M Academy**. The MOU Signing Ceremony with 19M Academy was a meaningful and forward-looking initiative by the Department of Computer Science and Technology. The event successfully reinforced the department's commitment to academic excellence, industry relevance and holistic student development. Such collaborations play a crucial role in preparing students to meet evolving technological and professional challenges.
